NO. 169—SIXTY-NINTH YEAR. VICTORIA, BRITISH COLUMBIA, TUESDAY, JUNE 28, 1927 TWENTY PAGES

Cold Storage Plant and Motion Picture By-Laws To Be Submitted July 14

"Terminal Warehouse Agreement" By-Law Passes Its Final Reading—Formal Passing of "Motion Picture" By-Law Will Be Put Through This Afternoon by Council

Much Better Bargain Is Considered With Mr. Claude Flemming for Studio

THURSDAY, July 14, is the date set for the Electorate to vote on the "Terminal Warehouse Agreement" By-law, and probably the "Motion Picture" By-law. This was decided upon at last night's meeting of the Council, when Mayor J. Carl Pendray told the Council that Mr. H. G. Brown could not be kept waiting much longer, as the Montreal banking firm of Hanson Bros. had promised to finance the cold storage plant to the extent of $750,000 only if a decision were reached within a reasonable time. The urgency of placing this by-law before the people rather than wait for a decision by the Council on other by-laws, was made obvious by the Mayor's statement.

It has been practically decided, however, that the "Motion Picture" bylaw will be voted upon on that date. The Council last night could not consider the motion picture agreement as a by-law owing to the fact that the twenty-four-hour notice of motion had not expired, but the by-law was read through and amended in an informal manner, so that when the adjourned meeting of the Council resumes at 4 o'clock this afternoon, all that will remain will be to put it through the formal readings and recommend it to the electorate. The motion picture by-law has been amended considerably to the advantage of the city.

CHANGE OF MEASURE

The new by-law provides that Mr. Claude Flemming, motion picture producer of Great Britain and Australia, will raise $400,000 from men already well established in the motion picture industry in Great Britain in return for the city guaranteeing $200,000 in securities at five per cent interest. A further point won by the city is that twenty per cent. of the profits of the company in any one year shall be paid to the city. The balance of the agreement remains the same as the former one with the exception that Mr. William Sherrill's name does not appear in the by-law owing to his withdrawal from the negotiations. The city will appoint its own trustees, and not one dollar will be spent on the erection of the studio or production of pictures until the contract for release of pictures is secured.

In the "Terminal Warehouse Agreement" by-law, the city agrees to guarantee seven per cent interest on $500,000 of capital investment for a period of ten years and agrees to help secure a lease on or near Ogden Point Dock at a rental of $1,000 a year, the lease to be for twenty-one years with two options of renewal for periods of twenty-one years each.

In return for this aid, Mr. H. G. Brown, president of the Terminal Warehouse Company, Limited, agrees to erect a terminal warehouse with cold storage facilities of reinforced concrete and equipped with all modern apparatus at a cost of $750,000. Hanson Brothers, investment bankers, of Montreal, have signed an agreement with Mr. Brown to finance the project if the by-law is passed by the electorate.

MAYOR COMMENDS PROJECT

Mayor Pendray, in pointing out the soundness of the cold storage project, said that the fact that so old and conservative an establishment as Hanson Brothers agreed to financially back this enterprise should commend it to the citizens of Victoria.

The arguments presented in connection with the motion picture by-law is that Mr. Claude Flemming is a man of great experience and recommended by Premier Bruce, of Australia, the Lord Mayor of Sydney and the Lord Mayor of Melbourne.

He has been connected with motion picture production and stage production for a great number of years and has many friends prominent in the motion picture industry in the Old Country. Interest of men prominently connected with well-established industries in Great Britain has already been aroused, Mr. Flemming having received a cablegram from Colonel

Applications for Industry Adviser Opened by Council

FIVE applications for the position of industrial adviser to the city were opened at last night's meeting of the City Council. Each application was accompanied by a copy of credentials and qualifications. The applicants are Mr. Charles Griffith, of 723 Field Street; Mr. George Carter, of the Carter Oriental Trading Company; Mr. W. Ellis, of 1216 Beach Drive; Mr. J. G. Thomson, 204 Central Building; and Alderman E. S. Woodward. The applications were referred to the industrial committee for report.

THRILLS ATTEND LIGHTHOUSE FIRE

Lennard Island Lightkeeper's Residence Burns While Life-Saving Crew Battle Heroically With Flames

FIRE IN TOWER HALTED IN TIME

TOFINO, June 24 (By Mail).—A serious fire occurred this morning at the Lennard Island lighthouse, in which the lightkeeper's residence and most of his furniture and other personal effects were destroyed, and in which the lighthouse itself barely escaped demolition.

The origin of the conflagration is a mystery, but it is believed to have been caused by a defective flue. The facts of the case are that Joe Nesbit, the assistant lightkeeper, kindled a fire in the kitchen range, and that Miss Violet McPhee, the lightkeeper's daughter, entered the kitchen about half-an-hour later. On opening the door she found herself confronted by a wall of smoke and flame. She immediately closed the door and, after sounding an alarm to the other members of the household, rushed to the telephone and sent an SOS. message to the Tofino life-saving station, to which the lifeboat promptly responded, loading fire extinguishers, manning the boat, and traversing the three miles of intervening ocean in the short period of forty-five minutes.

INCREASED PAY RATE GOES TO RAILWAYMEN

MONTREAL, June 27.—An important announcement provides increased rates of pay to clerks, freight handlers, stationary engineers, stationary firemen, station, stores and shop laborers, is made in a notice today from the office of Sir Henry Thornton, chairman and president of the Canadian National Railways. The increases in rates, the circular states, will be made effective from May 1.

CRUISERS WILL BE CONSIDERED TODAY

GENEVA, June 27.—The technical committee of the tripartite naval conference is making satisfactory progress as expressed in an official communique tonight. French and Italian observers attended the meeting of the committee but did not take part in the discussion. The communique said: "Very satisfactory progress was made by the technical committee today on the important question of deciding particular types of vessels of small combatant value that shall be excluded from the limitations to be agreed on at the conference. The proceedings showed a marked desire on the part of different delegations to meet each other's views on various points under discussion."

The communique concluded with the announcement that the committee will meet tomorrow to discuss the question of the cruiser class.

FIRE IN OIL WELLS COSTS $5,000,000

LONG BEACH, June 27.—The fire in the southeast end of the Alimitos Heights oilfield here, which last night caused an estimated loss of $5,000,000, tonight has been confined to one well. Gas still was flowing unchecked from four wells.

GOLDEN-FIELD HIGHWAY READY

Famous Kicking Horse Pass Is Traversed by Road to Be Opened Shortly—Official Opening on July 9

MR. J. C. CAMPBELL ANNOUNCES OPENING

Step by step the highways of Western Canada are being linked by road, until it will be possible to travel by highway from Vancouver to Winnipeg without recourse to those makeshifts which enabled Mr. A. P. Bement and Captain Evans, on behalf of the Lincoln Highway Association, to make the tour some few years ago from Winnipeg to this city.

Mr. J. C. Campbell, director of publicity for the Canadian National Parks, Department of the Interior, who arrived in the city yesterday, and was shown round the city by Mr. George I. Warren, publicity Commissioner, brought news of the opening of the highway from Golden to Field on July 1, but the official function has been postponed until July 9. On that date four Cabinet Ministers are expected to participate, Hon. J. H. King, M.D.; Hon. Charles Stewart, Hon. James Malcolm, and Hon. Lucien Cannon. The gathering will assemble on the hill near Golden for the occasion.

As would be expected in a road which traverses the Kicking Horse River, the scenery, Mr. Campbell says, is magnificent, with the road cut on a shelf above the railway, which hitherto has been the sole connection through the Rocky Mountains in that part.

The new road, which is thirty-four miles in length, makes direct connection with the Banff-Windermere Highway, and pushes Canada's transcontinental motor road into this Province. While the road will be open for traffic July 1, the official opening will be delayed until the later date in order not to interfere with Confederation celebrations.

The highway opens to motorists the beautiful Valley of the Ten Peaks.

A moving picture film, "The Kicking Horse Trail," has been made of the road and is at present being exhibited generally.

Development of the tourist traffic for national parks is Mr. Campbell's special field, and during the Wembley Exhibition he represented the Canadian Government in this field. He declares that prospects for tourists never looked brighter than they do at the present time, and a record number of cars are expected to pass over new provincial roads during the present season.

BAPTISTS OF B.C. HOLD CONVENTION

To Sit Tuesday, Wednesday and Thursday in Vancouver—Women's Missionary Work

VANCOUVER, June 27. — Reports showing extensive progress in almost every department of work were given at the opening session today in Grandview Baptist Church of the thirteenth annual convention of the Baptist Women's Missionary Society of British Columbia. The Provincial president, Mrs. E. B. Miller, occupied the chair. The recording secretary, Mrs. Arthur Christie, gave a report of the year's activities.

Among the delegates registering today were the following from Victoria: Mrs. W. Russell, Mrs. F. Danicls, Mrs. P. J. McEwen, Mrs. H. Knox, Mrs. R. Clayton, Mrs. Angus Galbraith, Mrs. W. G. Leethalane, Mrs. A. E. Taylor, Mrs. J. Shampeney, Mrs. D. E. Beveridge, Mrs. W. Tyson, Miss Mary McLean, Mrs. Cullison, Mrs. Strachan and Mrs. F. H. Cogswell.

The annual convention of the British Columbia Baptists will be held on Tuesday, Wednesday and Thursday. The convention sermon will be preached on Tuesday afternoon by Rev. H. Knox, of Emmanuel Baptist Church, Victoria.

As a fitting celebration of the completion of fifty years' work by Baptist women in British Columbia the society made a special objective of an additional $1,500 to the usual budget of 1926, the amount forming a jubilee fund.

Child Drowns

TRAIL, June 27.—While wading in a pool beside the Trail-Rossland Highway, Vernon Martin, seven, slipped into deep water today, and was drowned despite the efforts of his companions to save him.

PRESIDENTS OF TWO BANKS TO BE ARRAIGNED

Financial World of Los Angeles Shocked by Latest Outcome of Julian Petroleum Company Stock Scandal

EMBEZZLEMENT IS ACCUSATION MADE

Men Indicted Are at Head of Leading Financial Institutions of Pacific Southwest —Personally Prominent

LOS ANGELES, June 27.—The Julian Petroleum Company stock scandal today rocked the entire financial structure of the southwest, when it was announced that Charles F. Stern, president of the Pacific Southwest Trust & Savings Bank, and John E. Barber, president of the First Security Company, were among those indicted by the Grand Jury last week.

The two bank presidents, whose names appear at the very forefront of Los Angeles' financial Who's Who, are charged with three counts of embezzlement and one count of accepting a banker's bonus. Bond was set in the indictment at $25,000, which Le Compte Davis, attorney, stood ready to provide when the men appeared for arraignment.

Fundamentalists Raise Issue With Church in China

SHANGHAI, June 27.—Fundamentalist missionaries of various denominations have launched an attack against their modern brethren claiming that the latter are endangering the entire missionary movement in China. The crusade is directed against the National Christian Council. Its movers are seeking to obtain the co-operation of other missionaries in China as well as Chinese fundamentalists. It is charged that the Council is dominated by Bolshevists and is pursuing policies which will bring about the withdrawal of all missionaries from China.

The National Christian Council is elected by Chinese churches.

MR. OLIVER GIVES JUBILEE MESSAGE

BRITISH COLUMBIA DESCRIBED AS AFFORDING CANADIAN OUTLET TO PACIFIC

Fathers of Confederation Wise to Build Dominion From Sea to Sea—Progress Made

MONTREAL, June 26—Premier Oliver sends the following Diamond Jubilee message to a Montreal newspaper:

"Sixty years ago no part of Western Canada was included in Confederation, now there are nearly three million people between the Great Lakes and the Pacific and our products of grain, timber, minerals and fish are famed throughout the world.

Of all Western Provinces British Columbia has faced the greatest physical handicaps. Its progress had to be hewn out of its rocks and forests, its roads carved through giant timber or blasted out of mountains, yet today in per capita production of raw material, with possibly one exception, British Columbia excells all her sister Provinces.

"She is, moreover, the Dominion's outlet on the Pacific Ocean, within, and around whose waters dwell two-thirds of mankind.

"The Fathers of Confederation were wise in their anxiety to include this Province and to complete the Dominion from sea to sea. Here we have the greatest stand of commercial timber in the Dominion, if not on the continent, and the minerals in our mountains we have scarcely yet begun to unlock; we have fruit, fish and lumber in abundance to exchange for the breadstuffs and farm products of our sister Provinces, so that we may well claim to be doing our share in aiding the self-sustenance of this great Dominion whose founding we celebrate."

SOUTH AFRICAN SENATE AMENDS FLAG DESIGN OFFERING SUBSTITUTE

CAPETOWN, South Africa, June 27.—The Senate of the Union of South Africa today gave the third reading to the Flag Bill, after accepting an amendment passed by seventeen votes to twelve, proposing substitution for the government's flag design of another design, consisting of the Union Jack, the Old Free State flag, the Transvaal Vierkleur, and four silver stars on a blue field, representing the other provinces. These four portions of the flag would be divided by a silver cross.

Premier J. B. M. Hertzog has intimated that the proposed design would be unacceptable to the government since such a flag would be merely a British ensign, therefore it appears inevitable that the House of Assembly will reject the Senate's amendment. This means the bill will have to be repassed by both Houses. A special session of Parliament may be held in November, and if the Senate persists in its present attitude, a joint sitting of both Houses will have to be held before the bill is finally passed.

MORE OIL TANKS FOR OCEAN PIER

Associated Oil Dealers, Ltd., to Erect Gasoline and Oil Tanks at Ogden Point Docks

SHIPS MAY TAKE ON FUEL AT THIS PORT

Storage tanks for gasoline and other petroleum products will be erected at the Ogden Point docks by the Associated Oil Dealers, Ltd., it was learned last night, when the City Council granted permission for the erection of these tanks following similar permission having been given by the Dominion Government and the Provincial Fire Marshal.

These tanks are to have a capacity of from 15,000 to 100,000 gallons and will be used for taking on oil products from oil tankers from California. A portion of the tanks, it is understood, will be used for the storing of fuel oil, thus giving Victoria for the first time oil fueling facilities for merchant marine vessels.

This action follows that being considered by the Imperial Oil Company to place their tanks of 1,500,000 gallons capacity at the service of merchant ships which wish to take on fuel oil here.

In addition to the Associated oil tanks to be erected at Ogden Point the C.N.R. will start construction work shortly on oil storage tanks for pilchard oil from West Coast reduction stations. These tanks will have a 200,000-gallon capacity.

B.C. AIR FORCE CLUB ELECTS DIRECTORATE

VANCOUVER, June 27.—Directors were elected by the Air Force Club of British Columbia at a meeting here tonight as follows: Miss Genier, C. S. Cliff, E. S. Cle, F. F. Esplin, F. D. Pratt, J. W. Twaites, C. R. Fraser and J. W. Legge Fraser.

MLLE. CARTIER TO VISIT WEST ALSO

DAUGHTER OF CHIEF QUEBEC FATHER OF CONFEDERATION AGAIN IN TORONTO

She Hopes to See the Adjective "French" Dropped From the Term "French-Canadian"

TORONTO, June 27.—After sixty-eight years, Mlle. Hortense Cartier, daughter of one of the Fathers of Confederation, Sir George Etienne Cartier, returned to Toronto today. Toronto was her childhood home between 1854 and 1859. When the Government moved to Quebec at that time she went with her father, and has until today never seen Toronto since. Mlle. Cartier has come from France, as the guest of the Canadian Government, to attend the celebration of the Diamond Jubilee of Confederation.

"One thing I hope to see soon is the adjective 'French' dropped in 'French Canadian,'" she said. "I think everyone should be just plain Canadian—and it is a title of which everyone should be very proud.

"I am going through to the West and I am eager to get a feather crown. My father had a wonderful hairdress given him by the Indians."

LIBERALS TO PLAN GENERAL ELECTION

VANCOUVER, June 27. — As soon as Premier Oliver is back at Victoria and the other Ministers have returned from their Summer trips to their constituencies, Mrs. M. E. Smith, president of the British Columbia Liberal Association, states, there will be an important meeting of the Provincial executive of the party. Plans for carrying on the next election, expected some time during the Summer or Fall, 1928, will then be considered.

Nobel Peace Prize

OSLO, Norway, June 27. — Foreign Minister Stresemann of Germany, arrived here today to receive the Nobel Peace prize for 1926 which he shares with Foreign Minister Briand, of France.

Flight From California To Honolulu Is Expected To Begin Early Today

Two Planes at Oakland and One in Hawaii Reported Ready to Hop Off Within Few Hours—Giant Tri-Motored Army Plane and Smaller Monoplane Are Rivals in Race From Coast

Weather Forecast Says Conditions for Westward Flight Are Most Favorable

OAKLAND, June 27.—Two planes here, and one in Honolulu, were reported ready tonight to hop off within the next few hours on nonstop flights over the Pacific, between San Francisco and Honolulu. The giant tri-motored Army Fokker and its smaller silvery monoplane opponent here, were expected to take the air from Oakland's municipal airport early tomorrow, for flights westward over the Pacific toward the Hawaiian Islands.

Reports received from Honolulu stated that the specially-constructed runway on the "Barking Sands," near Mana, on the Island of Kauai, was completed for the take-off of the third plane, piloted by Richard Grace, who plans to wing eastward toward the American Continent, at an early, undetermined hour.

OFFICIAL ANNOUNCEMENT

Following an official inspection for the army by Major-General Mason Patrick, here today, of the plane to be flown by Lieutenants Lester J. Maitland and Albert Hebengerer, Assistant-Secretary Davidson, of the War Department, announced eastward from Gressy Field, the army air field, that the army plane was ready and, weather permitting, the start was planned to be made tomorrow morning.

The civilian monoplane, to be piloted by Ernest L. Smith, with Charles H. Carter, of Los Angeles, as navigator, was being given its final tests late today, which were declared satisfactory.

WEATHER FORECAST

The forecast said that conditions were "exceptionally favorable" for flyers hopping off from the California coast, but not so favorable for flight in the other direction.

Air port officials tonight announced receipt of orders to "have a clear field" for the army plane at 7 o'clock tomorrow morning. Thousands of machines thronged the highways in the vicinity of the air port and many autoists appeared planning to stay all night to watch the expected take-off in the early morning.

Alderman Holmes Reports Progress On Worsted Mill

ALDERMAN Holmes, chairman of the industrial committee of the City Council, at last night's meeting read a confidential report of Mr. J. Moore's negotiations for establishment of a worsted mill in Victoria. The negotiations have reached a very satisfactory stage and new structural plans for the mill, of a less expensive character than the former, have been made and are being sent out from Bradford, England, where Mr. Moore's mills are located.

The report given by Alderman Holmes was received with much favor by the Council and there is every prospect of the worsted mill coming to Victoria.

MANITOBA GIVEN CHOICE OF THREE

Prairie Province Today May Return to Power Progressives, Conservatives or Liberals—Other Candidates

METHOD OF VOTING INVOLVES DELAYS

WINNIPEG, June 27.—Five years ago the United Farmers of Manitoba swept the rural constituencies of the province, and tomorrow the electorate of Manitoba will select the personnel of the next Legislature, the eighteenth, and endorse or record disapproved of the government formed by Premier Bracken who was then called from private life to take office.

Tomorrow 153 candidates will seek endorsation for the fifty-five seats in the Provincial Legislature. Of these forty-four are Government candidates; thirty-nine Liberals, forty Conservatives, nine Labor, two Independents and one Communist. In the City of Winnipeg there are twenty-five nominees, including four government candidates; six Liberals, five Conservatives, six Labor and one Communist. Of these ten will be elected to represent Winnipeg in the next house.

Unlike the last election in 1922, when there were several women candidates, there is only one this year, Mrs. R. A. Rogers, Liberal, candidate in Winnipeg.

Following was the standing of the parties in the last Legislature: Government 28, Liberals 7, Conservatives 6, Labor 4, Independents 8, vacant 2.

LINDBERGH TO TAKE "SPIRIT OF ST. LOUIS" IN FLIGHT TO OTTAWA

NEW YORK, June 27.—The people of Ottawa will have the opportunity of seeing the famous monoplane, "The Spirit of St. Louis," when Col. Charles A. Lindbergh, New York-Paris flyer, visits the Canadian capital next Saturday and Sunday. Harry H. Knight, personal representative of Lindbergh and one of the St. Louis backers, notified the Canadian Press tonight. Colonel Lindbergh will return from New York to St. Louis and fly from the Mound City to Ottawa in the machine which carried him to fame in his lone flight across the Atlantic.

Colonel Lindbergh will arrive in Ottawa July 2, and according to previous announcements will remain there until July 3. He accepted an invitation from the Canadian Government, tendered through the Canadian Legation and the State Department, Washington, to attend the Diamond Jubilee celebration of the Confederation of Canada.

Manufacturer Wants Higher Wool Duties

OTTAWA, June 27.—The Tariff Board hearing of the application of the woolen manufacturers for increased protection was resumed here today. Mr. F. B. Hayes, cloth manufacturer, made a statement referring to the 250 looms in his industry, of which, he said, only sixty per cent had operated for the past three years. Imported flannels from France and England could underbid the Canadian by reason of cheaper labor. Mr. Hayes stated that his company's plant in Campbellford had operated at $40,000 a year loss and had been kept open only to save the community from the effects of turning more than 200 persons out of employment.

ANTI-LORDS CRY PROVES FAILURE

BRIXTON ELECTS CONSERVATIVE BY LARGE MAJORITY DESPITE APPEAL MADE

Voters Told by Mr. Lloyd George That Government's Proposals Would Dethrone People

LONDON, June 27.—The Conservatives won in the by-election in the Brixton Division of Lambeth today, made necessary by the election of Sir Davison Dalziel to the peerage. The returns showed: N. Coleman, Cons., 10,356; J. Adams, Labor, 6,032; F. J. Laverock, Liberal, 5,134.

LONDON, June 27.—"Our danger is not from a dead Lenine but from a live Baldwin," declared Mr. David Lloyd George, speaking in the Brixton by-election on Saturday night and referring particularly to the Government's proposals for reform of the House of Lords. "By re-establishing the power of the hereditary peerage, these proposals," he declared, "would lead down the straight road to revolution and dethronement of the people of Britain."

FRANCE EXPECTS TO PAY HER WAY

Receipts as Well as Expenditures to Be Much in Excess of Those of Last Year

PARIS, June 27.—The expense of running the French Government next year will be almost two billion francs above the 1927 figures, but Premier Poincare, nevertheless, expects that the income of the Treasury will exceed its expenditures.

The Government's hopes and intentions from the fiscal standpoint were transmitted to the Finance Committee of the Chamber of Deputies today in a long document prepared by the Premier, who is also Minister of Finance.

The document partakes the nature of a budget speech and will form the financial plank in many candidates' political platform in the forthcoming elections.

The Premier promises no lightening of the tax today, but hinted taxes would not be increased except in such indirect ways as increasing certain customs duties on foreign goods which was decided on some time ago.

Commander Byrd Still Held by Bad Weather

ROOSEVELT FIELD, N.Y., June 27.—The storm that set this flying field awash Sunday morning and prevented a take-off of the monoplane America, was hanging off the Grand Banks tonight, an effective barrier against starting the flight to France before Wednesday.

Commander Richard Byrd and his three-man crew shook their heads in discouragement when they heard the weather man's report.

"There won't be any take-off tomorrow morning," Byrd said.

BOYS WALK FAR TO SEE UNCLE

TWO SETS OF PEDESTRIANS MAKE EXTENSIVE TOUR OF WORLD ON FOOT

South Africa Globe Trotters Praise Butchart's Gardens at Dominion Theatre

Two boys, Donald and Stewart Gordon, turned up yesterday at the Dominion Hotel after a "walking" tour from Dwight, Illinois. They stayed only long enough to rest before proceeding to Cowichan Lake to see their uncle, Mr. Gordon, who is engaged with the Empire Lumber Company.

These two boys, whose ages are fifteen and fourteen, have not met with any exceptional adventures from Illinois to Portland, and thence up the Coast here. While they set out to walk, so many kindly people have given them lifts in cars, trucks, wagons, and every form of conveyance that many toilsome miles have been eliminated in the journey half way across the continent. They arrived looking browned with the open air life, and cheerful and happy as only the boy in his teens could be.

GLOBE TROTTERS HERE

Mr. and Mrs. Dan. J. Le Roux, known as the "barrow" pedestrians, from a wheelbarrow which they use to carry their belongings, also reached the Dominion Hotel during the week-end. They finance their tour by lectures at the various centres, and by the sale of souvenir postal cards. They hope to raise sufficient funds to leave on the Maunganui, of the Union Steamship Company, for New Zealand next week. Last evening they appeared at the Dominion Theatre by arrangement with the management. The couple have traveled 11,746 miles to date on foot.

Mr. and Mrs. Le Roux hail from Johannesburg, South Africa, and have been walking for four and a half years. They started on December 31, 1922, and have toured Africa, Europe and America, the Australasian dominions now engaging their attention.

PLEASED WITH CITY

Speaking at the Dominion Theatre, the globe trotters paid tribute to the hospitality which they had received here, and stated that the beautiful Butchart Gardens were the finest example of landscape gardening they had seen in a journey two-thirds of the way around the world.

COLD STORAGE PLANT AND PICTURE BY-LAWS TO BE VOTED ON IN JULY

Continued from Page 1

Broomhead, president of the $12,500,000 motion picture corporation in London, to the effect that he is interested in the Victoria project.

Other arguments presented in favor of the by-law is that the establishment of a studio here would be able to take full advantage of not only the British quota law in connection with films, but also of the technical knowledge and availability of internationally-known stars at Hollywood. The British quota law, which come into effect next year, provides that twenty-five per cent of the films shown in British theatres must be of British production. This quota is increased until at the end of three years seventy-five per cent of the films shown will have to be of British production.

Voting on these bylaws will take place at the Public Market between the hours of 8 a.m. and 8 p.m. Mr. Frank Hunter, city clerk, was appointed reutrning officer.

THRILLS ATTEND LIGHTHOUSE FIRE

HURRY TO SCENE

The sea being too stormy to permit of anchorage, Coxswain Hanson and Engineer McKenzie were compelled to stand by the boat while the balance of the crew, consisting of Alex. McLeod, James Grant and George Anderson, succeeded in effecting a landing, and hurried to the assistance of the smoke-blinded and almost exhausted fire fighters, D. B. McPhee, Fred Hornby and Joe Nesbit, who had been waging an uphill battle with the flames before the arrival of assistance.

When relief came the residential building had been burned to the ground, and the fire had crossed the track and extended to the oil and paint house, where hundreds of gallons of oil were stored, the structure being aflame at one corner and on one part of the roof. This being the crucial part of the whole situation, it was here that the most determined battle with the flames took place, as an explosion of the oil tanks would have sealed the doom of the whole lighthouse plant. It was only by the bravery, coolness and resourcefulness of the head lightkeeper, Mr. D. B. McPhee, that this disaster was averted. Mr. McPhee tore off the burning shingles and issued instructions to his helpers, who were vigorously bombarding the ignited portions of the walls with chemicals and buckets of water, until the outbreak was conquered. Later, the light tower took fire, but was extinguished by valiant efforts.

The lightkeeper and his temporarily homeless family are now finding sanctuary in an unpretentious little shack nestling near its base.

Children Asked to Assist Parade by Offering Services

ALL boys and girls over the age of ten years who are willing to help make the historical pageant section of the July 1 parade a success are asked to assemble at the parade ground, Boys' Central School, at 2 o'clock Friday afternoon. They will be given flags to carry during the parade. The children will be in the care of the marshals of the pageant, Major Wilby, Captain Wheedon, Mr. A. G. Boitoh and Mr. Creelman. A great deal of the success of the historical pageant depends on the number of children that turn out to help in the formation of this section.

KING AND QUEEN GREET TRAVELERS

Duke and Duchess of York Drive to Buckingham Palace Amid Cheers of Vast Crowds

LONDON, June 27.—The Duke and Duchess of York, returning today from their six-month visit to Australia, were given an enthusiastic welcome when they reached London. The King and Queen greeted them most affectionately at the railway station whence they drove in an open carriage to Buckingham Palace amid the cheers of vast crowds lining the route, despite a drizzle which ceased at the time the returning Royal couple appeared.

Portsmouth Harbor was ablaze with flags as the battlecruiser Renown, on which the voyage was made, weighed anchor at Spithead and proceeded into the harbor where the Duke's brothers, the Prince of Wales and Prince Henry waited. Airplanes were circling above the Renown as she was escorted in by a group of destroyers.

FINANCES NEEDED TO INSURE PLANS

Appeal Is Made for Aid to Celebration and Support of Whole Community

"The purpose of this Diamond Jubilee celebration is to unite all Canadians, East and West, in a tribute of gratitude to those far-visioned and courageous Fathers of Confederation, who put our feet on the road to progress," quoted Mr. Reginald Hayward, M.P.P., in an appeal last evening, in his capacity as chairman of the committee, for the local celebration of the Diamond Jubilee. The quotation was from the national appeal from Ottawa.

"Greater Victoria has a brilliant programme arranged for the period of July 1 to 3. It has taken the combined efforts of over 300 people to prepare, as well as heavy contributions in time and funds by many business and private organizations in Greater Victoria.

"The success of these plans will be sure if you turn out to the various functions of this programme, and do your bit to join the rest of Canada in its most magnificent gesture of thanksgiving for sixty years of continued progress and prosperity, without one harsh word of international friction. No opportunity to hold a celebration of the spirit of peace has been afforded to us in our lifetime to compare with this Diamond Jubilee of Canada's birthday, and no effort is too great if it will make for the success of the capital's participation in the national programme.

"Citizens of Greater Victoria can at this date help materially to further the work by subscribing as their means permit to its financing. The three-day programme includes such brilliant pageantry as has never before been attempted here. It insure thoroughgoing enjoyment for the 60,000 people who are expected to witness its varied entertainment, and its living pictures from the pages of Canadian history. Naturally it has cost money, and that money has to be found."

PORT HARDY LOSES BELOVED FIGURE

Oyster Meal Induced Fatal Symptoms for Unfortunate Packer

PORT HARDY, June 25.—(By Mail.)—A familiar figure has passed away from Port Hardy in the death of Arthur Pollock, "Pete the Packer," as he was known to his friends here, had partaken of a can of oysters left open from a previous meal, from the effects of which he was taken very ill. But, believing he would soon get over it, he delayed seeing a doctor till he became very weak and made up his mind to go to Alert Bay Hospital. Arriving there, the doctor advised him going to Vancouver, where he died Friday night, June 24.

He had run the pack train between here and Coal Harbor for the Whalen Pulp & Paper Co., and later for the B.C. Pulp & Paper Co. He carried the baggage and mail for Port Alice twice a week, and up to his death had carried the Quatsino, Holberg and Half Way River mail beside. Being of a jolly and obliging nature, he had made the trip across the Island much easier for many a traveler by giving a lift to their packs.

His passing is much regretted by all who knew him.

MEDICAL SYSTEM MAY BE REVISED

Saanich School Board May Combine Forces With the Council and Have One Health Organization

DR. YOUNG EXPLAINS DETAILS OF CHANGE

The Saanich municipal and School Board medical systems may be combined with a complete reorganization.

The Saanich School Board conferred with Dr. H. E. Young, secretary of the Provincial Board of Health, and Reeve Crouch, with Councillors Milne and McWilliam, representing the health committee, yesterday to discuss the problem.

Dr. Young stated that $3,000,000 was spent by the Government last year for health administration in British Columbia. He asserted that health expenses were growing enormously and that an effort should be made to prevent too great an increase. Dr. Young said that children needed special care and medical attention in the preschool period if school health was to be improved. He told of the International Health Board of the Rockefeller Institure which had given $650,000 to establish a health department at Toronto University, and $5,000,000 to medical schools throughout Canada recently.

Dr. Young went into details of financing the new scheme, which gained the whole-hearted approval of the School Board. It is understood that the Rockefeller Institute will pay one-third the cost of health administration if a medical officer recommended by them is accepted. The proposed new system would result in better health service at a lower cost when properly established.

After considerable discussion on the duties of a health officer, Dr. Young explained that a medical officer should not practice as an ordinary doctor, that he should carry out the Public Health Act, control epidemics, carry out sanitary laws and enforce municipal health by-laws.

On a suggestion of Reeve W. Crouch, Trustees R. Macnicol and Mrs. Beckett were appointed to the Council health committee. The proposed new system will be further discussed at a later date.

STANDARDS PRESENTED TO HOUSEHOLD TROOPS

LONDON, June 27.—In all the panoply of waving plume and glittering cuirasses, the Guards paraded before King George and other members of the Royal family yesterday.

With the customary ceremony, the old standards were carried in front of each regiment and then trooped. The new standards were then brought forth and solemnly blessed. The King afterwards performed the act of presentation by touching the golden crown adorning the staff of each standard.

Educationists Here En Route From Hawaii

Many delegates to the National Education Association in Seattle, July 3 to July 8, arrived on the Ss. Maunganui, Saturday morning. Among them was Mrs. Sallie Hume Douglas, well-known authoress and composer, of Honolulu, Hawaii, official representative of civic greetings from that city to Seattle.

Mrs. Hume Douglas is Teachers' Council delegate from Honolulu to the National Educational Association in Seattle and was also appointed on the international relations committee there by President Blair of the N.E.A., and by Governor W. R. Farrington of Hawaii, president of the Pan-Pacific Union, a delegate to the World Federation of Educational Associations which will convene in Toronto, August 7 to 12.

SICK ABED EIGHT MONTHS

After Taking Lydia E. Pinkham's Vegetable Compound Could Do All Her Work and Gained in Weight

Melfort, Saskatchewan. — "I had inward troubles, headaches and severe pains in my back and sides. I was so sick generally that I could not sit up and I was in bed most of the time for eight months. An aunt came to visit and help me as I was unable to attend to my baby and could not do my work. She told me to try Lydia E. Pinkham's Vegetable Compound, and after taking two bottles I could get up and dress myself. I also took Lydia E. Pinkham's Blood Medicine. When I first took the medicine I only weighed seventy-eight pounds. Now I weigh twice as much. If I get out of sorts or weary and can't sleep I always take another bottle of the Vegetable Compound. I find it wonderfully good for female troubles, and have recommended it to my neighbors. I will be only too glad to answer any letters I receive asking about it."— Mrs. WILLIAM RITCHIE, Box 486, Melfort, Saskatchewan.

MANY FEATURES FOR CARNIVAL

SIDESHOWS AND VAUDEVILLE ATTRACTIONS FOR CHILDREN TO START AT 8 o'CLOCK

Costume Dance Starts at 9 P.M. Saturday Night—Dancing Exhibitions to Be Given

The true carnival atmosphere spirit will reign at the Armories on Saturday night, when the Confederation Costume Carnival is held. The committee in charge has arranged a variety of attractions to suit the taste of both young and old.

Side shows and vaudeville will commence at 8 o'clock, when all those appearing in costume will be judged and the prizes awarded.

Intervals between dances will be made entertaining by the dancing pupils of Mrs. Dorothy Wilson. Twenty fairies will dance "A Midsummer Night's Dream." This feature alone promises to be a brilliant one. An Indian war canoe dance and song will be another of the attractions. Mrs. D. Floyd will sing and dancers will lend background to her song. "The Pirates'" dance will be another feature on the programme, while "The Highland Fling," "Irish Jig" and "Harlequinade" will complete this phase of the entertainment.

Favors will be distributed to the people as they enter the ballroom. These favors, which include serpentine and balloons, will all help in giving the right atmosphere to the event.

A fifteen-piece orchestra will provide music. The grand march will probably be done to the accompaniment of Mrs. J. O. Cameron's composition, "The Spirit of Confederation," dedicated to the sixtieth anniversary of Confederation.

Tickets will be 50 cents for adults, and 25 cents for children, and there will be just as many attractions for the children as there are for the adults. Refreshments will be served by concessionaries.

SATURDAY HOLIDAY IS NOT COMPULSORY

Hon. J. D. MacLean Makes Statement Covering the Position of Province

Following the announcement that the local stores would not be closing on Saturday of this week, a statement is made by Hon. J. D. MacLean, the Acting Premier, covering the situation in this Province with respect to the proclamation by the Dominion authorities of a public holiday on Saturday, following Dominion Day. Dr. MacLean points out that the Saturday holiday is not compulsory in the Province with respect to ordinary business. His statement is as follows:

"The Dominion Government has proclaimed Saturday, July 2, a public holiday this year, in addition to Dominion Day. The effect of this proclamation is to provide for the legal closing of institutions, such as banks, which operate under Dominion statutes. It does not compel the closing of ordinary shops on that day, as the provincial statute which requires the closing of shops on Dominion Day and certain other holidays does not apply to special holidays proclaimed by the Dominion Government.

"If a proclamation were issued by the Provincial Government declaring July 2 a special holiday under our statute, shops would be compelled to remain closed on that day as well as on Dominion Day and the Sunday following. It is thought that in many parts of the Province people living near towns and coming in for the second day's celebration may naturally desire to combine business with their holiday.

"It would also, no doubt, occasion considerable hardship to both dealers and householders in providing for ordinary needs if shops were closed for three days in succession. The course we are following, in the interests of the public, by proclaiming no holiday, will leave the closing of places of business optional on Saturday, July 2.

"The same is true regarding the Civil Service. Skeleton shifts will be kept in all the Government offices on Saturday, July 2, so that the general public coming to the city for a holiday may, if they so desire, combine business with pleasure."

New Westminster M.P.P. In Hospital at Quesnel

QUESNEL, June 27.—Dr. E. J. Rothwell, M.L.A., for New Westminster, is in the hospital here, seriously ill. He was stricken suddenly while he and his fifteen-year-old son were camped at the auto park en route North on a holiday. Examination showed a serious internal condition. Word has been sent to Mrs. Rothwell to come here.

FIVE OIL WELLS BURN

LONG BEACH, Cal., June 27.—Five oil wells were burned and derricks and equipment of many others were damaged by a fire which swept a part of the Alamitos Heights oilfield, near here, last night. The damage was estimated at $1,000,000.

BIG MISSOURI IS ASKING FOR ROAD

New District Engineer Will Investigate Situation for Department of Mines

The Big Missouri Mining Company, which now controls the property formerly owned by Mr. Dan Lindeberg in the Salmon Valley, is planning a very active year at the property. With a mill designed for the coming season, the company is anxious to have a road constructed which will afford the avenue for the taking in of the supplies easier than is possible at present.

The new company, which is controlled largely by Tacoma investors, is making representations to the Department of Mines and the Public Works Department seeking the carrying of the road from the one which runs at present to the Premier Mine. This would represent about thirteen miles of road.

Messrs. Ralston and Knowles, of Tacoma, representing the syndicate that controls the Big Missouri, were in the city during the last few days interviewing the Department of Mines with respect to the work of completing this thirteen miles of road.

Mr. Howard J. James, the newly-appointed district engineer for that section of the Province, will, among the first of his duties on arrival in the North, make an inspection of the matter. As Mr. J. W. Galloway, Provincial mineralogist, is in the Stewart district at this time, it is expected that he will accompany Mr. James on his inspection.

The Big Missouri Company is expending over $100,000 on the property. The property is being developed under the charge of Mr. Duncan McVichie, engineer in charge.

Judgment in Rex vs. Morelli Reserved

Rex. vs. Morelli was an appeal by the accused in a criminal prosecution from the verdict of a jury, whereby he was sentenced to four years' imprisonment. Accused, a taxi driver, was hired by two girls. In the course of the drive there was met a truck which took up too much of the road. Accused was forced into the ditch, where he remained for two hours until his car was pulled out by a wrecking outfit. He then proceeded on his way, which was on an incline. On reaching the top and proceeding downhill, he perceived a man walking in the same direction on the side on the road, not on the footpath, although there was one there. Accused sounded his horn and said he believed the man heard. As he got near him the man turned slightly towards the centre of the road and in front of the car. Accused suddenly turned the car to avoid the man, but the car skidded and struck the man, killing him. The car went into the ditch on the opposite side of the road and turned over.

There were two eyewitnesses of the accident, one, a taxi driver, who gave no evidence as to speed, and the other, a student, who gave evidence at the preliminary hearing that the accused was going very fast. At the trial this witness was ill and did not attend. The doctor who certified as to death was, at the time of the trial, in Scotland.

The depositions of these two witnesses were read at the trial, and the accused appeals on the grounds that this evidence was wrongly admitted, it being contended that in the case of the sick witness it had not been shown that the witness was too ill to attend and give his evidence personally, and as to the doctor, it had not been properly shown that he was out of the jurisdiction. The court reserved judgment.

Mr. Wismer for accused; Mr. Ellis, K.C., for the Crown.

MAYOR TO PRESENT MEDAL HERE FRIDAY

Name of Best Citizen Will Not Be Disclosed Until Presentation at Beacon Hill Park Occurs

The name of the citizen of Greater Victoria who is adjudged to uphold in the best way the ideals of good citizenship will not be disclosed prior to the actual presentation of the Native Sons and Daughters of British Columbia's Appreciation Medal at Beacon Hill Park on the afternoon of Friday next, Dominion Day.

The reception of nominations of citizens of Greater Victoria who were deemed worthy of receiving the Appreciation Award, closed on Friday last, and these written suggestions have been referred to a selection committee, which will determine the best citizen for the current year.

The Native Sons and Daughters of British Columbia's action in sponsoring the Appreciation Medal, to each year reward the citizen of Greater Victoria who has been chosen as having rendered the greatest community service, has aroused keen interest and this is reflected by the generous response which citizens have made to the request for the tendering of nominations.

This year is the first occasion on which the Victoria Posts of the abovementioned organizations have conducted the Appreciation Medal project here, and it promises to prove a most successful and laudable enterprise. The Vancouver Post of the organization has sponsored an Appreciation Award on the Mainland each year since 1922.

Victoria's best citizen for 1927 will be presented with the Appreciation Medal by Mayor J. Carl Pendray from the new grandstand in Beacon Hill Park next Friday afternoon, during the progress of the big community Confederation ceremonies there.

Pension Commissioners Arrive for Hearings

VANCOUVER, June 27.—Applicants for Federal pensions, through the Soldiers' Civil Re-Establishment Department, will be examined in Vancouver and Victoria during the next few days by Dr. R. J. Two Wimbledon Trains Collide Near Station

WIMBLEDON, June 27.—Much excitement was caused among tennis fans on their way to Wimbledon this afternoon, when two district railway trains collided head-on near the Wimbledon station. Six persons were injured, one seriously, and many suffered from shock.

The accident occurred when one train left the rails and swung over to another track.

BERRY CROP MAY MAKE NEW MARK

THIRTY-SEVEN CARLOADS HAVE BEEN SHIPPED FROM HERE TO PRAIRIES

Prospect Seems Favorable to Amount Exceeding That of 1925

With the prevailing weather conditions which are most favorable for the prolonging of the strawberry season, there is the prospect that this year may establish a record in the amount of berries that are sent from this market to the Prairies. In 1925 there were fifty-one carloads sent from here to the Prairie provinces.

Already there have been shipped by express in carload lots thirty-seven cars of berries. Of these four were forwarded yesterday.

The weather conditions have been ideal for the bringing of the crop to perfection point without flooding the supply for a short time. The cool weather and the retention of moisture in the soil has had the effect of keeping the crop ripening steadily, the later berries following the earlier ones and all being of a uniform good quality both as to size and flavor.

As the crop continues to come on without let-up there is thus every prospect that the former record set in 1925 may be even surpassed this year.

These shipments that are referred to do not take into account in any way for the locally used berries, either for individual users or in the canning factories. The records referred to above are purely those that have been forwarded by express carload lots destined for the Prairie provinces.

RESULT IN P.E.I.

The result of the election in Prince Edward Island is the maintenance of the status quo in the matter of Prohibition, and that maintenance involves the disappearance of the Stewart Government. The Conservatives have been defeated, and while a Liberal victory, and a decisive one, is implied by the result the conditions were such in Prince Edward Island that but little party capital can be made out of what has happened. The election was fought almost exclusively on the Prohibition issue. The Conservative Government made that the test of its fortunes and it has fallen, and fallen heavily.

As to the future, the Liberals, in their pre-election promises, are pledged to modify the Prohibition law to the extent of reducing the cost of physicians' prescriptions, and, moreover, a referendum on the subject is to be taken in 1929. In other words, the Liberals will not make Government Control a part of their platform. They do not believe in the responsibility of government to that extent. Instead, they will leave it to the people to decide. In the meantime, through the aid of their opposition to the system of Government Control, they have defeated the Conservatives in Prince Edward Island. As a result that Province of the Dominion will make efforts to enforce its present prohibitory law under a new political dispensation.

SOUTH AFRICA'S COLOR PROBLEM

The problem of her black population is South Africa's most urgent issue. Despite the white man's gifts of tuberculosis, pneumonia and other civilized diseases, the Kaffirs are rapidly increasing in numbers. Moreover they no longer kill each other as in the palmy days of Tchaka, Dingaan and Dingiulu. "Instead," says General Hertzog, South Africa's Premier, in an introduction to a notable book, "The South Africans," by Mrs. Sarah Gertrude Millin, "the children of the race of Tchaka, the king of the Zulus, who once "ate up" great tracts of Africa and a million enemies and subjects; of Dingaan, his brother; the Vulture, who murdered the trusting Voortrekkers; of Moselikatze, who now sits upright in death on the same Matoppo Hills where Rhodes lies; of Moshesh, the wise and wily Basuto chief, who knew how to make war and when to make peace, they are all, all the black people who were once the friends and enemies to one another and challenged the march of civilization; they are all the charges, the servants, the dependents, the victims, the problems of the white man in South Africa today."

The Socialist does not include the Kaffir in his creed, considering him unfit for the millennium. It is the Kaffirs who do all the rough work of the country, and it is not beyond the bounds of possibility that an enfranchised Kaffir might some day, owing to overwhelming numbers, refuse to take orders from even an upholder of the doctrine that all men are born free and equal. General Hertzog asserts that South Africa is a country "where every white man begins at a step above his natural level, owing to the vast preponderance of the black element, and that in consequence there is little likelihood of tolerance or consideration for those beneath, yet at the base of existence, thrusting the white man upward, is the Kaffir." As in ancient Greece and Rome, so in modern South Africa, the heart of the master is never freed from the haunting fear of a native rising.

The truth is that a large portion of the population of the Union consists of "poor whites" who have never worked and never will, and who would long since have faded out of existence were it not for the Kaffirs upon whose labor they live. In the Southern States of the American Union there are plenty of "poor whites," but there they are no menace to the white man's supremacy and are regarded with pity tempered with no little contempt. The case is far otherwise in South Africa, where the industrious white man, whether he be Boer or Briton, must perforce support the "poor white" in the interests of race solidarity. A Kaffir will work, not only, as in the mines at $15 a month; he will work even on a "poor white's" farm at a third of this sum, or even for nothing, if he is a squatter; he will work where the white man ought to be working. His mere existence makes of every white South African an aristocrat.

Lord Balfour said recently: "The problem before South Africa in the future is one which has never yet presented itself in the history of mankind." Not so long ago General Jan Smuts was heard to remark: "Will little brown children some day be seen playing among the ruins of the Union Government Buildings in Pretoria?" Who can tell? Beneath the "fierce brightness" of this land of contrasts there lies "its darkness," the menace and mystery of the land, its hidden past and future. Africa is very old, strangely made, unaltered. There is something in it that baffles us. Why cannot it go straight forward in a straight line like other lands? Brilliant men seek to solve its problems and go away defeated. That is why it holds us: it has this terrible mystery. It is a mystery a solution for which the white man must find some day and perhaps sooner than most suspect.

FLAG POLITICS

The South African Government has provided a new design for a national flag which includes the Union Jack in one of the small corner squares. This, at least, is a concession on the part of Premier Hertzog, and an almost inexplicable one in view of a speech he made a few weeks ago. In that speech he said that while he honored and respected the Union Jack as the flag of Great Britain, "that flag could not be accepted as part of the national flag for South Africa just because it was not South Africa's flag but that of Great Britain." He declared then that, "as part of the South African Flag the Union Jack would outrage all my national sentiments and traditions." Evidently now Premier Hertzog has submitted to this outrage on his feelings which is an indication that he is beginning to realize what is the state of public opinion on the flag issue.

What Premier Hertzog has been successful in doing is to raise as a political issue something of a patriotic character that should never be a party question. The repercussions of what he has done will be felt for decades to come, and whatever the fate of his Flag Bill, even under its amended character, he will find, as has been found in other countries before, that neither nations nor individuals can be made patriotic by the expedient of enforced legislation. Indeed, where the subject of a national emblem is being considered, it is recognized that the parliament of a country should be as nearly as possible unanimous in any decision reached. This is very far from being the case in South Africa, and as a result the referendum on the Flag Bill and the ensuing general election will be embittered in a way which bids fair to accentuate the rift that has grown up between the political parties in the Union.

RED PROGRAMME IN CHINA

The Red programme of the Russian Communists intriguing in China has called for some emendations in the light of recent events. One species of propaganda, however, which is to be maintained is the working of Communism from within the Kuomintang, or Chinese Nationalist Party. The latter organization, and particularly that part of it known as the Cantonese, is to be used by the Chinese Bolshevists for the mobilization of the masses. The International is painfully candid in saying that all mistakes made by the Kuomintang leaders must be blamed on the Right Wing, while all successes must be credited to the Left Wing. Specifically the aim of the Russian intriguers is to bring about an agrarian revolution. Its programme towards this end consists of such watchwords as "Abolition of rent; seizure of the property of all landowners; abolition of the mandarinate; sequestration of monasteries; cancellation of peasants' debts and removal of taxes."

Russian activities in China are directed towards stirring up the masses against the upper classes and the Northern militarists. Every effort is being made to arm the peasants and workmen, and no doubt the Soviet Government is supplying the means. Hand in hand with this movement efforts are being made to proselytize the foreign soldiery in the country. In this connection the instructions issued from Moscow are to the effect that there must be the "resolutest work among foreign soldiers who must be bluntly advised to join the Chinese revolutionaries."

SPORT IN INDIA

Sir,—In reply to Mrs. Proby's letter in Sunday's issue re work on Indian sport by Captain J. Forsyth, the only work by that author that I know of is called "Highlands of Central India," published in 1874. It is an entertaining and instructive volume and deals with the hunting of nearly every species of Indian big game. The chapters on tiger and bison shooting are particularly good. This book can be obtained through Messrs. Rowland Ward, Ltd., 167 Piccadilly, London, price 12s. 6d.

COMMEMORATION MEDALS

Sir,—Is it not rather a pity that the Commemoration Medals are only being given to children of school age? The smaller ones will not long remember the pageants and shows that will be held on July 1, but a medal would remind them in years to come. Seeing that they are the backbone of the country, surely they are the ones that should be given every encouragement and helped to become good patriots. There are several children in East Sooke that I should like to get medals for, if it is in any way possible.

CANCER AND HIGH LIVING

Sir,—A medical friend recently loaned me a little book written by the famous Dr. Keith, LL.D., F.R.C.P., one of the stalwarts who made Edinburgh famous as a medical centre during the last century. In his plea for the simple life which is apropos to conditions prevailing today, he states that "high living, the use of wine and other stimulants, and of strong animal food aggravated in an extraordinary manner all the symptoms arising from this terrible disease; while abstinence from these and the use of a light and sparing diet, if it could not cure, certainly relieved in a high degree the pain and irritability of the patient, rendered the course of the local disease slower, and prolonged life, while it made it much more tolerable till the very end.

"I know of no class of cases where the benefit that follows a change of living is so marked and I am not sure that I know of any in which the change is so difficult to make. Most surgeons, thinking of the exhausting nature of the malady, recommend all sorts of what are usually considered the richest and most setting-up meats and drinks, and trust to opiates and other drugs to relieve the pain and suffering.

"My own experience has led me to adopt a very different treatment to that which is still followed as a rule, both as to feeding and giving soothing medicines, and I have found that if a proper diet is given there is little call for relief by opiates and sometimes none at all."

After giving the histories of quite a number of cancer cases that completely recovered under abstenious diet, Dr. Keith goes on to say, "The few cases I have mentioned will, I hope, induce some surgeons to try the method I have indicated on their patients suffering from cancer. They may have difficulty in doing so, but if it is tried and carried out, especially with those of a nervous temperament, they will at once notice a change for the better. Such at least has been my invariable experience."

Even in medicine, history seems to repeat itself. Dr. Keith has evidently out-McCoyed McCoy in his dietetic regime.

POLICE SPORTS

Sir,—There is a good deal of dissatisfaction about the promotion of intercity sports for the police departments, in view of the fact that the arrangements for bringing crack athletes from Vancouver and other places results in the boards being swept, our own police having little chance to share in the prizes.

Our merchants are solicited for prizes which will be carried out of the city, and which will not benefit our men at all. From what I can learn, instead of these elaborate contests, the police would be far better satisfied to hold their own picnic and sports. Those who contributed them to the funds would have the certainty that their contributions would be expended where they would do most good—among our own people.

As far as I can learn, the Seattle police force is disorganized and out of training, and, therefore, will not be represented. If the Seattle police did come what chance would they have against the highly-trained men from Vancouver who would carry off the choice awards?

I am satisfied that if the city police managed their own picnic they would be satisfied.

CLUBS WILL ENTER FLOATS IN PARADE

Gyro and Kumtuk Bodies Gather at Joint Luncheon—Mr. Reginald Hayward, M.P.P., Speaks

Floats will be entered by the Gyro and Kumtuk Clubs of Victoria in the Diamond Jubilee of Confederation parade here on July 1. Announcement to this effect was made yesterday by representatives of each organization at the joint luncheon of the Kumtuk and Gyro bodies, held in the auditorium of the Chamber of Commerce, with Vice-President Arnold W. Trevitt, of the Gyro Club, officiating as chairman.

Mr. Reginald Hayward, M.P.P., chairman of the executive of the Diamond Jubilee of Confederation Celebration in Victoria, spoke to the gathering on the plans which had been arranged for the festivities in the city next Friday, Saturday and Sunday. He urged the co-operation of all citizens in making the celebration a grand success, and appealed for greater financial support to enable the committee in charge to stage as many of the events as possible.

Gyro Bill Hudson, secretary of the Gyro Club, intimated that the annual picnic of the Gyro organization would be held at Elk Lake on Saturday, July 23. It is expected that this function will be liberally patronized by the clubmen.

Vice-President Trevitt extended a welcome to the members of the Kumtuk Club, and hoped that in future more joint gatherings of service clubs will be held. He believed that by co-operation service clubs could be a powerful driving force in tackling big problems.

Miss Mabel Cameron, president of the Kumtuk Club, thanked the Gyros for the hearty greetings extended to the Kumtuklans, and hoped that there would continue to be the friendly feelings among service organizations here, for the good they could accomplish was immense.

Mr. Harold Butteris, president of the Children's Aid Society, announced that the children's camp would be at Weir's Beach, Metchosin. The Gyros volunteered to take the youngsters out to camp.

Mrs. W. H. Wilson, gold medalist at the recent Musical Festival at Vancouver, contributed two enjoyable vocal solos, with Miss Frances Jaffrey playing the accompaniments on the piano. The Gyro Syncopators, directed by Gyro Charlie Hunt, rendered selections.

ALPINE CLUB WILL CAMP IN UPPER YOHO

Twenty-Second Annual Meeting in Rockies Has Magnificent Setting 6,700 Feet Above Sea-Level

The twenty-second annual camp of the Alpine Club of Canada will be held on July 19 to August 2, in the Upper Yoho Valley, according to a circular which has just been issued by the secretary-treasurer, Mr. E. S. Mitchell, from the club house, Banff. The camp itself will be pitched at an elevation of 6,700 feet, near timber line.

The Upper Yoho is in the main range of the Rocky Mountains, and the nearest station on the Canadian Pacific Railway to the Alpine Club camp is Field, British Columbia; although it is eighteen miles from there to the site of the Summer rally, members may travel ten miles of this by road to Takakkaw Falls Camp. There are three possible routes to camp, the most convenient being that already mentioned, viz., the drives from Field to Takakkaw Falls Camp, thence by trail to the High Yoho Valley and along the Little Yoho stream to camp. But those who wish, can drive to Emerald Lake Chalet, and then walk twelve miles to camp over the Yoho Pass, or there is an all-walking route by way of Burgess Pass, fifteen miles. This is the most spectacular and picturesque route.

While the camp is open only to club members and specially-invited guests of the club and their wives or husbands, duly accredited artists and professional photographers are always welcomed and given accommodation at the same rate as members. The secretary has again emphasized the necessity of bringing blankets, as these are not supplied, either at the camp or from the club house at Banff.

From the Alpine Club Camp in the Upper Yoho this year the following peaks may be climbed: President, 10,287 feet; Vice-President, 10,049; Mount Marpole, 9,822 feet; Mount Kerr, 9,384 feet, and Mount Carnarvon, 9,964 feet, on the south side of the valley; Kiwetinok Peak, 9,512 feet; Mount Follinger, Isolated Peak, 9,244 feet; Mount McArthur, 9,882 feet; Mount Habel, 10,361 feet; Mount Collie, 10,315 feet; Mount Gordon, 10,336 feet, and Mount Balfour, 10,731 feet.

Takakkaw Falls, passed en route to camp, has a drop of 1,000 feet, and Emerald Lake, Twin Lake, Summit, Kiwetinok, Twin Falls, Bow, Hector, and Trollinder are among the other beautiful colored lakes in the district. Six glaciers, at least, lie among the hills in the immediate vicinity of the camp, viz., Yoho, Habel, Emerald, Balfour, Bow and Daly.

Many of these beauties may be seen even by the modest climber, for whom minor expeditions will be arranged. The neighborhood provides magnificent subjects for the artist and photographer.

The camp this year will be under the direction of Mr. C. A. Richardson, of Calgary.

The Rhyming Optimist

By Alice Michaelis

ONE TRUTH

I lay no claim to thoughts profound
as wiser people may, yet I am grateful to have found one truth as clear as day. This is the lesson I have learned, by passing years made plain, the truth to which my hope has turned in times of stress and pain: It is a vain and foolish thing to yield to care and fret, for every need the day may bring will by the day be met. Why question, then, the boundless good the future holds in store? Though all too little understood, its currents wash life's shore. Dark hours may come of grief and blight, but by this truth I know old Earth will blossom with delight when fear's fleet phantoms go. It is but folly's part to hold one bitter, weak regret, for every lack the hours unfold will, in the end, be met.

SAANICH READY FOR HOLIDAY

School Children Will Be Enabled to Participate Readily in Function on Saturday

Final arrangements for the elaborate display being staged by more than eight hundred Saanich school children to celebrate Dominion Day were completed Saturday morning, when Trustee Mrs. Beckett presided at a well-attended meeting of school teachers held in the Canadian Legion rooms. Reports received showed a state of complete co-operation, including trustees, teachers, pupils, parents, transportation men employed by the School Board and general public, enabling the committee in charge to complete all details in connection with the part undertaken by the Saanich pupils in the great Jubilee celebration at the Willows on Saturday, July 2. The members of the Saanich teaching staff, who have worked untiringly for the success of the celebration, are, in addition to Principal Routley, honorary secretary, Miss K. Pinder, Miss G. S. Taylor, Miss M. Watson, Miss D. Greenwood, Mr. A. W. Johns, Mr. A. Cullen, Mr. W. R. Jones, Mr. E. G. Woodward, and Sergeant-Major Instructor Frost and Sergeant Ward, who has been of valuable assistance.

The care of the children in case of illness is being looked after by the presence on the grounds of Saanich nurses, while members of the police staff will also be at hand. The committee would appreciate assistance from anyone qualified in first aid work. Saanich pupils are requested to note carefully the following arrangements for their transportation to the Willows on Tuesday, when the final rehearsal will be held. Transportation arrangements for Saturday will be announced later.

Reeve Crouch has placed the municipal bus lines at the disposal of the committee for the occasion, while many private cars have been offered. The transportation buses used by the School Board also have been made available by the kindness of the owners, who are forfeiting their holiday to assist.

PANIC AVERTED

MONTREAL, June 27.—Quick work on the part of Mrs. B. M. Garfield, wife of the manager of the Rialto Theatre, in the North End, averted a panic in that amusement place last night when smoke from a fire in an adjoining building entered the auditorium.

A spectator shouted "Fire" and immediately there was a scene of turmoil. Mrs. Garfield leaped to the railing at the rear of the ground floor and shouted reassurance that there was no fire in the place and no danger.

The staff of ushers followed suit and the excitement subsided. Later the theatre was emptied without injury to anyone.

TWO LIVES SAVED

VANCOUVER, June 27.—Two drowning fatalities were narrowly averted in the city Sunday.

Getting into difficulties in deep water at English Bay, George Drisco was rescued by Pete Pantages, Thirteenth Avenue East.

Pantages, a member of the Royal Life Saving Society, reached Drisco as he was nearly downing. The high waves, accompanied by a strong wind, made the rescue exceedingly difficult.

While playing on the wharves in the vicinity of the foot of Denman Street, four-year-old George Duff fell into deep water. C. S. Campbell plunged in after him.

Women's Hygienic Mistakes

Being ended—New way discards like tissue

By ELLEN J. BUCKLAND
Registered Nurse

BECAUSE one woman told another, and because doctors and nurses so urged, millions of women are discarding old-time sanitary ways for the new way called Kotex.

First, you discard Kotex as easily as tissue. No laundry, no embarrassment.

Five times as absorbent as ordinary cotton pads, it enables one to wear sheerest frocks and gowns without slightest fear of embarrassment. Also deodorizes, thus ending *all* danger of offending.

Eight in every 10 better-class women employ it. Once you use it you'll never again dare the uncertainty of old ways.

Obtain at any store simply by saying "Kotex." Box contains 12. Be sure you get the genuine. Only Kotex itself is "like" Kotex.

DEATH CLAIMS REV. J. McCOY

Popular Minister Passes After Lingering Illness, With a Splendid Record in Continuing Presbyterian Church

RECEIVED DEGREE FIVE YEARS AGO

Rev. Joseph McCoy, M.A., D.D., veteran Presbyterian minister, passed away early yesterday morning after a prolonged illness. Death took place at the family residence, 1458 Begbie Street, in his seventy-ninth year.

The remains are reposing at the residence, and funeral services will be held at Knox Presbyterian Church, Stanley Avenue, tomorrow, at 3:30 o'clock. Those desiring to send flowers are asked to dispatch them to the Sands Funeral Chapel.

EARLY CAREER

Dr. Joseph McCoy was born in 1848, at Hamilton, Ontario. He was educated at Hamilton Collegiate Institute and also attended the Toronto University, in 1875 he graduated from there, having throughout his course been a first-class honor man and carried off the silver medal in the department of natural science. In 1876 he obtained his M.A..

Dr. McCoy was ordained on February 3, 1879, and was inducted into the pastoral charge of Egmondville, in the Presbytery of Huron. For ten years he ministered there, after which he accepted the call to St. Andrew's Church, Chatham, New Brunswick. At the end of nine years he offered his services to the Home Mission Board, under the late Dr. James Robertson.

Dr. McCoy came to British Columbia in 1898 to take charge of the Home Mission work along the line of construction of the Columbia and Western Railway, with headquarters at Cascade. He was adapted to this work, having an understanding of humanity and a quick and ready sympathy with frontier conditions. It was there where he laid the foundation for much of the splendid work that has since been done in the West Kootenay country.

HIS WORK HERE

He came to Victoria in 1903 and was appointed to the Home Mission charge of Knox, St. Columba, and at St. Aidan's Churches, then united. In 1909 Knox Church decided to take a forward step and become a self-sustaining congregation, calling its own minister. Dr. McCoy was the unanimous choice of its people.

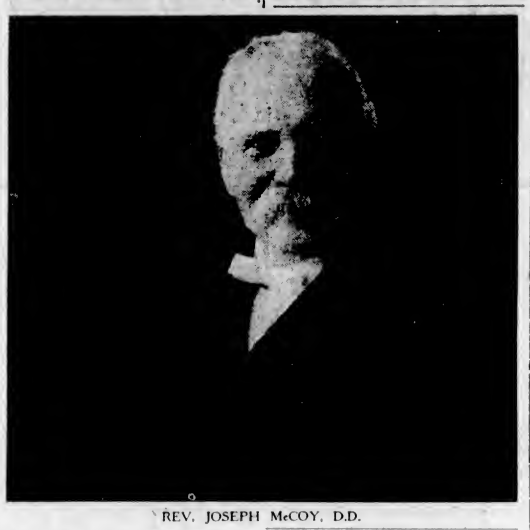

His gentle and kind disposition won the love of his congregation and he was equally honored by his fellow ministers. During his illness, Rev. George R. Cameron has been officiating in the pastorate at Knox Church.

Dr. McCoy has several times been Moderator of the Synod of British Columbia, and for one year he was appointed delegate to the Pan-Presbyterian World's Council, held in Europe.

In September, 1922, Westminster Hall Theological College conferred upon him the honorary degree of Doctor of Divinity in recognition of his long and distinguished service in the Presbyterian Church.

THE FAMILY

It was in April, 1879, that he married Miss Mary Huckins, only daughter of Joseph Huckins, of Toronto, who survives him, and of the five children four are still living, Mrs. W. A. Jameson, of Victoria; Mr. Oswald McCoy, Edmonton; Mrs. S. J. Mitchell, and Mr. Arthur McCoy, of this city.

Collision Victims Receive Attention

NANAIMO, June 26.—Messrs. Newcombe, Ellis and Crane, who, as reported yesterday, were badly injured when their automobile collided with a horse-drawn vehicle six miles south of Nanaimo, Friday night, were yesterday removed from the local hospital and taken to Ladysmith Hospital, the local institution just being closed down.

While at first it was thought that Crane was the most seriously injured, it was found later that the cuts about his eyes were not as bad as at first suspected, and it is not thought his sight will be affected. Thirty-seven stitches were required in the face of both Ellis and Newcombe, while yesterday Dr. Earl Hall visited Mr. Greenaway, the driver of the horse, and put two stitches in a cut which he had sustained in his face.

Appeal Granted

Rex. vs. Schuman: In this, a criminal appeal, the court permitted further evidence to be taken. The Crown's submission was that while the charge as laid might not be supportable, yet a conviction might be had on a less serious charge. On the receipt of the additional evidence, yesterday, Mr. Carter, K.C., Deputy Attorney-General, withdrew his submission, the court set aside the conviction, and ordered the discharge of the accused.

Mr. O'Halloran, for accused; Mr. Carter, K.C., Deputy Attorney-General, for the Crown.

Mrs. Freeman Dies, Aged Ninety-Three

Mrs. Freeman, widow of the late Judge A. A. Freeman, died yesterday at 10:30 o'clock at the age of ninety-three, the day being her birthday. She had been ill for some time.

Mrs. Koon, of Alameda, and Mrs. J. O. Cameron, of this city, are among the surviving relatives.

Obituary

NISHIMOTO—The funeral of Mrs. Shimo Nishimoto, who died at her home, 3080 Albina Street, last Friday, will be held this afternoon, at 3:30 o'clock, from the Sands Funeral Chapel. Mrs. Nishimoto was sixty-four years of age and was born in Japan, and had been a resident of this city for twenty-five years. She is survived by her husband, two sons and two daughters, of this city, and a sister in Japan. The body will be laid to rest in the family plot at Ross Bay Cemetery.

TAYLOR—There died on Sunday evening at James Island, Esther Maud Taylor, aged forty-five years, wife of William Taylor, a resident of the Island for six years. She is survived by her husband; also her mother and four sisters in England, and a brother in Australia. The body is at McCall Brothers' Funeral Home. Announcement of the funeral will be made later.

STEWART—The funeral of Mrs. Edith Annie Stewart, who died at the Royal Jubilee Hospital last Friday morning, took place yesterday afternoon. Funeral service was held at the Thomson Funeral Home, 1625 Quadra Street, at 2:30 o'clock, when Rev. F. H. Pitt officiated. Mrs. S. M. Morton sang "O Rest in the Lord." Mr. Lawton Partington presiding at the organ. Messrs. E. A. Robbins, B. Johnson, J. Johnson, D. Fletcher, E. Trueman and Percy Fox acted as pallbearers. Interment was in Royal Oak Burial Park.

BROADBENT—The funeral of Annie Elizabeth Broadbent will take place from St. Matthias Church, Earsman Street, at 10:30 o'clock. Rev. H. T. Archbold will conduct the service. Interment will be made in Ross Bay Cemetery.

LAMB—The funeral of Mary Lamb took place from Hayward's B.C. Funeral Chapel yesterday afternoon at 2:15 o'clock, proceeding to Oaklands Gospel Hall, where service was held, Mr. Edwin Smart officiating. The following acted as pallbearers: Messrs. J. Thompson, D. McKerracher, L. J. Eekman, R. Weller, J. F. Scroggin and W. R. Galoway. Interment was made in Ross Bay Cemetery.

APPLEGARTH—Funeral service will be held at the Thomson Funeral Home, 1625 Qundra Street, this afternoon at 2:30 o'clock, for Herbert Alfred Applegarth, whose death occurred Saturday evening at the family residence, 2434 Cadboro Bay Road. Interment will be made in Royal Oak Burial Park.

GAUTHIER CHARGES FINDING EXPECTED

Ministers of Crown Leave for Their Constituencies—Hon. W. Sloan Returns to Office

Members of the Government announce that the report of Mr. Justice Morrison, as commissioner for the investigation into the charges against members of the Government in connection with the liquor purchasing which were made in an affidavit of Mr. J. A. Gauthier, is expected in a few days now. There was a report that the finding had been filed with the Government, but this is denied.

It is anticipated, however, that the delay in this connection will not be much longer.

In the meantime members of the Government have been leaving the city to pay visits to their constituencies or to look into matters connected with their departments.

The visit of Hon. S. F. Tolmie, leader of the Conservative party in British Columbia, to the northern sections of the Province has been followed by Hon. A. M. Manson leaving on a tour of his constituency, while Hon. T. D. Pattullo has likewise left for the North on a visit to his riding of Prince Rupert.

Hon. W. H. Sutherland, the Minister of Public Works, will leave this week also for the North. He will make the trip overland, going by the Cariboo Road and on through the Cariboo to Hazelton. All of this trip can now be made over the roads of the Interior. He will be accompanied by Mr. P. Philip, Deputy Minister of the Department, and Mr. A. L. Carruthers, engineer in charge of bridges for the Province.

Hon. William Sloan, Minister of Mines, has recovered sufficiently to return to his office.

"What!" cried the Mormon's wife, "you say my husband is dying?"

"I'm afraid so," replied the doctor.

"Then my place is at his bedside until the end."

"Yes, but I'd advise you to hurry, as all the best places are being taken rapidly."

AGED FISHERMAN PAYS TWO FINES

Daniel Woodward Contributes $11 to Court Exchequer—Arthur Porter Sent Up for Trial

Fines totalling $11 were imposed upon Daniel Woodward by Magistrate George Jay in the City Police Court yesterday. The defendant, seventy-two years old, who was unable to attend court, owing to illness, pleaded guilty through counsel, Mr. C. H. O'Halloran, to two charges, namely, unlawfully trolling in Saanich Inlet, having more than one line, and also evading arrest by a fishing guardian.

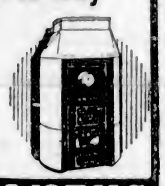

Magistrate Jay fined Woodward the sum of $5 and $2.50 costs for the first offence, while the defendant paid the court $1 fine and $2.50 costs on the charge of evading arrest.

Mr. H. H. Shandley, who appeared as counsel for the Department of Marine and Fisheries, conducted the prosecution.

Arthur Porter, of Duncan, was committed for trial by Magistrate Jay on a charge of seduction. The accused pleaded not guilty to the charge when arraigned before His Honor, and elected trial by a higher court. The preliminary hearing of the case then was proceeded with. Mr. Richard C. Lowe appeared for the accused.

Charged with disposing of a cinematograph machine, the same not having been approved, stamped or labelled by the fire marshal, W. B. Young was fined the sum of $15. Mr. W. H. M. Haldane represented the defendant.

UPPINGHAM HOUSE HAS ANNUAL EVENT

Prize-Giving Attended by Interested Audience—Exhibition of Fencing Outstanding Item

Uppingham House School held its annual prize-giving last Friday in the presence of a big gathering of parents and other friends of the pupils.

A programme opened the proceedings with several numbers by the kindergarten, including a ring dance, hunting song, playlet in French entitled "The Gnomes' Tea Party," and Hungarian dance. There were recitations by some of the very small boys and girls as well as the older ones. "Doggie," by Patsy; "Young Fellow, My Lad," by Dicksie; "Daffodils," by Gladys Bayley; "Roadways," by Kim Woodmass; "Admirals All," by Ken Garvice"; "The Legend of Athelney," and "Lilac Time," by Ailsa Braidwood, and "Grandma's Day," by Edith Adams. Songs included, "I Passed by Your Window," given by Forms III and IV; "Buttercup," Gladys Bayley. There were dainty dances by Edith Adams, Ailsa Braidwood and Laureen Duncombe, Monta-Grace Hallewell and Joan Boucher, Dicksie Bellairs, Doreen McGregor and Kim Woodmass.

Outstanding features of the programme, however, were the exhibition of fencing by pupils of Capt. Ian St. Clair; and drill. Quick eye, neat footplay, and expert use of the foils was noted in the former.

Weddings

ROBERTS—WEAVING

Christ Church Cathedral was the scene of a pretty wedding at 2 o'clock, when Right Rev. C. DeV. Schofield united in marriage Eleanor Weaving and Mr. John Roberts, both of this city. The church was beautifully decorated with Summer flowers. The bride, who was given in marriage by Mr. J. Adams, looked charming in a white crepe de Chine and georgette frock, with bridal veil held in place by a coronet of orange blossoms. She carried a shower bouquet of Ophelia roses and lily of the valley. Miss Violet Adams was bridesmaid and Mr. James Baylis acted as best man. During the signing of the register Mrs. E. H. Hunt sang "For You Alone." Following the ceremony a few friends assembled at the home of Mr. and Mrs. J. T. Adams, Esquimalt Road. The refreshment table was prettily decorated with mauve and pink and centred with a handsome three-tier wedding cake which was cut by the bride. Later, Mr. and Mrs. Roberts left for their honeymoon, to be spent in Seattle and Portland, the bride traveling in a navy blue tailored suit with peach crepe de Chine and crinoline hat. On their return they will reside in Victoria.

Music Results

The following pupils of Miss Merle North, L.A.B., were successful in the recent examinations held in the city by Dr. Beachcroft of the Royal Academy and Royal College of Music, London, England: Elementary division, pianoforte, Margaret Maxwell (honorable mention); primary division, pianoforte, Gwendolyn Gardiner (honorable mention); primary division, pianoforte, George Heathfield; theory, grammar of music, division one, Jean Cargill, Margaret Maxwell, George Heathfield.

NEW USE FOUND FOR LOCAL CAT

Archdeacon G. F. Davidson, of Regina, Says Cougar Suggested as Lecture Topic

A new use has been found for Victoria's cougar. In the course of his "Whimsical Monologue" on "Some People I Have Known," given at Memorial Hall last evening, Archdeacon G. F. Davidson, of Regina, recalled how a Vancouver acquaintance had suggested that after a visit to Victoria he might amplify his Alphabetical Lecture series by adding Cougar to his seventy "C" subjects. The list already includes Canons, Captains, Caretakers, Chambermaids, Chaperons, Charwomen, Chauffeurs, Chiropodists, Chorus Girls, Church Wardens, Coal-Heavers, Constables, Contortionists, Converts and Convicts, Coquettes and Crooks, and many others.

Last evening Archdeacon Davidson merely began the alphabet, "A's" and "B's" furnishing him with sufficient subject-matter to keep the audience in high good humor for an hour and a half. The proceeds of the lecture, which was presided over by Rt. Rev. C. V. Schofield, are to be used in connection with the Anglican Diocesan Summer School which is to be opened here next Monday, and at which Archdeacon Davidson will be one of the lecturers. An audience of about four hundred was present.

Last night's entertainment was frankly intended as pure entertainment, and the lecturer maintained the comedy note with rare skill. Adopting the alphabetical method at the very beginning, he plunged into a discussion of artists, authors, actors, archdeacons, and audiences he had known, and went on from this to barbers, brides, bishops, and burglars. "Barbers" found the Archdeacon at his most sympathetic, and under this title he painted some of the most lovable and admirable of his acquaintances. His discourse on the whole revealed a broad humanity and great love and understanding of his fellow beings, characteristics which have undoubtedly been responsible for the wealth of human-interest stories which he has amassed for use on such occasions as yesterday's.

"Archdeacons," he said in speaking of his own class, "are profoundly mysterious beings to the average mortal, even to the members of the Anglican Church. If you ask what an Archdeacon does you are told that he performs archdeaconal functions, and if you ask what they are you are told that they are what an Archdeacon does." Although he himself had been Archdeacon in the Diocese of Niagara, had reverted to go West, and had become Archdeacon again, the lecturer, with becoming whimsicality, maintained that he had never yet discovered what an Archdeacon really was. It was very refreshing, he supplemented, to find a diocese such as this, where the Archdeacon's dress was not compulsory. In this connection he gave his audience a little serious sartorial history when he recalled that the gaiters and knee-breeches which are the recognized dress of bishops and archdeacons today had their origin in the fact that they were the riding habit of the church at a time when motor cars were unknown.

SCOTCHMAN IN MOURNING

"It is preposterous that this dress should be perpetuated for all time as a sort of state getup," Archdeacon Davidson commented with a broad smile. This reference to his own habit reminded him of the answer given by one small boy to another who asked, on seeing an Archdeacon pass, "What is it?" "Why," the informed one had answered, "that's a Scotchman in mourning." The dress had this advantage to the wearer—that he was always liable to be taken for a bishop.

Under the subhead of "Artists" the lecturer recalled that he had once become the victim of a Punch cartoonist who had seen him in a barber-shop and made him the subject of a pictured joke. Both the features and the occasion being recognized by some Toronto friends, this number of the famous English comic-paper became part of a Toronto exhibition of Applied Arts.

Among the authors whom Archdeacon Davidson recalled having met were Elinor Glyn, characterized as a "very charming and delightful person" at that time visiting a church in Guelph, Ontario, where her parents had been married; and Stephen Leacock, whose humor on the platform and in the more spontaneous atmosphere of the drawing-room were quite up to the high standard of his humor in print.

"Laughing with Leacock" was the subject of a lecture which Leacock had declined to give in the church selected for the occasion by the local committee which had charge of the affair. Archdeacon Davidson approved Mr. Leacock's attitude in refusing to entertain people with comedy in a building dedicated to the worship of God. Archdeacon Patterson, an Irish wit of rather different but very pleasing mould, was another of his personal acquaintances.

In connection with actors, the lecturer recalled his own efforts as composer and librettist of a musical play given by a company of amateurs. He had been meeting the performers ever since, as he travelled about the country. He confessed to a very warm feeling toward the stage as a profession, and spoke of the value and objects of the Actors' Church Union, an organization devised for the purpose of keeping the actors and clergy in touch with each other, the former through this being able to enjoy the benefits of Holy Communion as they moved about the country.

INTERESTING BURGLARS

"There are many interesting burglars; some of them are very fine men and well worth looking after and bringing back to useful citizenship," said the speaker elsewhere. Happily this was a day when an effort was being made to make men better instead of worse whilst they were in prison. Although he had no sympathy with the kind of mawkish sentiment which expressed itself by sending flowers to prisoners, he certainly did not believe in the attitude of those who would brand the wrongdoer for life. Let them be encouraged to better living, and given an opportunity on their release to take their places as citizens, to start afresh in a straight course. The audience collapsed with laughter when the lecturer recalled the ugliest man he had ever seen in prison had blushingly confessed his crime to be that of bigamy.

The amazing versatility of barbers was revealed by Archdeacon Davidson to an audience which apparently had not discovered that "they are nearly all musical, many of them artistic, frequently dabbling in occult science, and nearly always keenly interested in social reform, and great readers." Some of his numerous personal friends in the profession furnished the lecturer with entertaining matter. Among them was an ardent churchman who had started in the parish a men's association which had a membership of over 600, with an average weekly attendance of 400. This barber had eventually given up his business and taken up some other form of work in order that he might have more time to devote to his excellent hobby.

Brides and bridegrooms, pessimistic, optimistic, and otherwise, furnished a closing subject, and in this connection Archdeacon Davidson spoke with unwonted seriousness when he expressed the belief that there were many things which he thought required revising in the national customs respecting marriage.

"There is too much secrecy—not, perhaps, in Victoria, where you broadcast the banns. There is also too much levity and frivolity," he commented. In Saskatchewan they had an admirable ruling, whereby the clergy of the Anglican Church could not, without the special consent of the Bishop and under very special circumstances, hold a marriage ceremony anywhere but in the church. But even in a church a wedding might be more a spectacle, a social display, than a religious ceremony.

HŌVIS

The Bread of Health

Why Children Thrive on HŌVIS!

EVERY golden-brown slice of HŌVIS Bread is a slice of true food... Natural and wholesome. Far more nutritious, slice for slice, than any ordinary bread can ever be. And here's the reason:

Children Love the HŌVIS Flavor

No coaxing. Children gladly help themselves to HŌVIS Bread because the flavor is new and different.

It is nutlike and rich, yet HŌVIS is light and easily digested. Good to the last crust!

The wheat germ is that valuable part of the wheat grain which contains the most vitamines—the most nourishment, and promotes regular habits.

In HŌVIS Bread there is wheat germ in abundance!

That is why children have in HŌVIS, a bread which gives them the full nutrition their growing, active bodies need.

Every day you give your children HŌVIS Bread you are helping them to health and happiness and providing a food which will build sound, strong bodies for their years to come.

Costs a little more—worth much more.

On Thursday evening at the small hall, a party was given for the Brownies, their parents and a number of friends being present. A number of members were enrolled, these including Julia Behman, Doreen Watson, Ellen Work, Gladys Work, Dolly Ell and Patsy English. Second-class badges were then presented to the following: Hermione Spurling, Gladys Cook, Doreen Watson, Joy Lang, Joan Plant, May Robinson, Catherine Lawson, Katherine Collyer, Hazel Leeson, Julia Behman, Elsie Behman, Emerancia Ell, Violet Wyllie, Violet Laidlaw, Patsy English. Mrs. Ross addressed the children, outlining the aims and ideas to be remembered by them. Mrs. Spurling spoke next, announcing that she was to make a presentation, this being a very handsome silver cup presented by Mrs. Humbird, and to be awarded to the Brownie who had done the best in the past year's work. This proved to be Peggy Toynbee, who received the cup amid much applause. Mrs. Humbird has kindly offered to give a cup each year for the Brownies to compete. A hearty vote of thanks was passed Mrs. McMillan for the time and thought expended by her in taking charge of the little girls. The remainder of the evening was spent by the children in playing games, refreshments then being served.

Fashion Fancies

By Marie Belmont

White crepe roma and heavy white silk fringe make the smartly simple evening frock above, which uses broad shoulder straps to frame the neckline.

The belt, which is worn outside the fringe halfway down and then slipped beneath it, fastens at the side front with two buckles of brilliants—the only contrasting note on the whole frock.

French designers are making the smartest possible use of buckled belts this season. Utilitarian belts appear on numerous daytime frocks, and simply made jewried ones finish untrimmed evening dresses.

COOL CANNING

THOSE jars of clear red jelly, rich, lucious preserves and firm, whole fruit will be as enjoyable to put up as to eat, if you do your canning on a clean, cool, convenient gas range.

Canned in the Oven —the Easy Way

This is one of the greatest accomplishments of time and temperature cooking. The heat control gauge maintains a certain oven temperature for a certain length of time. Then the canning is finished.

Come into gas range headquarters this week. Find out all about it.

Always Painstaking

A minute defect in the lens that forms part of the eye will prevent certain rays of light from focusing on the retina of the eye. This means imperfect vision.

By his examination the optometrist finds this defect and works out a formula by which a glass lens may be ground to counteract it.

Eye defects can be accurately measured only by a very careful examination. The measurement must be perfectly accurate to be of the slightest value.

Our optometrists make every examination with painstaking care, and you are assured of a perfect correction.

PICTURES GIVEN SCHOOLS BY ELKS

Set of Twelve Canadian Historical Pictures Presented to Courtenay Schools

COURTENAY, June 27—The closing of the schools in the district was marked in an interesting manner. Three of the schools were presented with a set of twelve Canadian historical pictures by the Courtenay Lodge of Elks, No. 60. Sandwick School was visited on Thursday afternoon, where the pictures were presented by Mr. G. W. Stubbs, who gave a short but interesting historical address. Mr. J. N. McLeod spoke to the children on the forthcoming Jubilee celebrations, and Mr. A. B. Ball presented each child with candy on behalf of the Elks. Mrs. Chris Carwithen received the pictures on behalf of the Tsolum Consolidated School and made a few well-chosen remarks. A vote of thanks was moved by two of the pupils in the persons of Pearl Lupton and Eileen Lidster.

At nine o'clock on Friday morning a second series of pictures was presented to the Courtenay School by Mr. Stubbs on behalf of the Elks, when Mr. Geo. Pidcock, president of the School Board accepted the pictures and expressed the thanks of his board. Rolls of honor were presented by Mr. Pidcock and a special prize of a fountain pen was presented to Wallis Thompson from the school trustees, for regularity and in recognition of his five years attendance without at any time being either absent or late.

At Comox, later on Friday, pictures were received by Mr. James Carthew, president of the Consolidated School Board with grateful thanks and appreciation. The presentation was again made by Mr. Stubbs. Mr. Ball handed out a further supply of candy. An excellent programme of songs, dances and musical numbers was given by the school children, who presented Miss T. Lyche, one of their teachers, with a gift as a token of esteem on the occasion of her leaving to become married.

NORTH SOOKE SCHOOL HOLDS CLOSING EXERCISES

NORTH SOOKE, June 27.—On Friday morning the North Sooke School held their closing exercises. The prizes, writing certificates, rolls of honor, and Confederation Medals were presented to the pupils. The following received prizes in the Sooke and North Sooke Women's Institute essay competition. In Grades VIII and VII, Edna Irvine was the successful pupil; in Grades V and VI, Malcolm Lorimer, and in Grades III and IV, Robert Neil. All the pupils were successful in gaining certificates in the MacLean Method of Muscular Movement Writing. Those obtaining the Senior Certificate were: Francis Neil, Edna Irvine, Phyllis Neil and Wilfred Shawyer. Those receiving grade certificates were: Grade II, Gladys Neil; Grade III, Norma Neil, Robert Neil, Lillian Johnson and Kenneth Shepherd; Grade V, William Neil and Aylmer Shepherd. The prizes for proficiency in Grades III and V were donated by Trustee Mrs. Lorimer, and won by Aylmer Shepherd in Grade V and Robert Neil in Grade III. The proficiency prize for Grade VIII, donated by the teacher, Mr. Pillar, will not be presented until after the entrance results are out. Mrs. Jackson, secretary of the School Board, presented the roll of honors to Edna Irvine for deportment, Phyllis Neil and Wilfred Shawyer for regularity and Punctuality.

Mr. Pillar then gave a short outline of Canada's progress since Confederation before calling on Mrs. Lorimer to present the Confederation Medals to the pupils. The programme opened with the singing of "O Canada" and closed with "God Save the King."

The following are the promotions:

Grade II to III—Gladys Neil and Duncan Lorimer.

Grades III to IV—Robert Neil, Norma Neil and Kenneth Shepherd.

Grades V to VI—Aylmer Shepherd, Malcolm Lorimer and William Neil.

McBRIDE CLUB HAS ARRANGED PICNIC TO BE HELD NEXT MONTH

The McBride Conservative Club this year will hold its annual picnic at Goldstream Flats on Wednesday, July 20. The committee, of which the chairman is Mr. E. W. Maynard, is sparing no effort to make this picnic a great success. An excellent sports programme is being prepared, the events in which will be open to all comers, and handsome prizes will be donated.

Special transportation facilities will be provided and there will be a large number of attractions to entertain the guests. It is the intention of the club to make the picnic this year as great a success as those which were held when the party was under the leadership of the late Sir Richard McBride.

The picnic will be open to all Conservatives in the City of Victoria and their friends, and full particulars of the programme will appear in future issues of The Colonist.

There will be no long political speeches as it is the desire of the committee to see that the picnic this year is confined to social events. Information as to the picnic can be obtained from the chairman, Mr. E. W. Maynard, 1622 Pembroke Street, Victoria, telephone 7480Y, or the secretary, Mr. James Wilson, telephone 2505.

Major F. Richardson Scores Ten Bulls to Win Westminster Cup

Veteran Local Marksman Has Possible at 500-Yard Range—Cadets Well Up in Prize Lists—Wilkinson Takes First in Tyro Match — McDonald Brier Match Won by Sergeant Walker

The forty-ninth annual prize meeting of the British Columbia Rifle Association opened at Heal's Range yesterday with a record entry list. Shooting at the 200-yard point in the early morning, in the Tyro, and the first half of the McDonald Brier match was difficult, and some of the leading marksmen fell by the wayside. A varying light and a heavy mirrage prevented some of the crack shots from applying their usual string of bulls.

Marksmen, many of them veterans of the range, cadets and troops, are all busily engaged in one of the largest shoots in the history of the association. Jack Tyrer, of the 112th Cadet Battalion, is the youngest marksman, who is competing in this rifle shooting classic, while Major Fred Richardson, ex-member of the Canadian team to Bisley, and known generally as the "veteran marksman," is perhaps the senior competitor.

The event will be in progress today, Wednesday and Thursday, when it will terminate with the annual meeting and election of 1927 council.

Cadet Lieutenant Wilkinson, of the 112th Battalion, local eighteen-year-old marksman, carried off the premier honors in the Tyro match when his score fell one short of possible at the 200-yard point. This youthful crack shot registered a good score under trying conditions.

Cadet Sergeant L. Bong, of the same unit, last year's winner of the Tyro match, was second with thirty-three, one point behind Wilkinson. R. S. M. Lamb, of the Northern British Columbia Regiment, of Prince Rupert, was third. Wilkinson started out with applying five straight bulls, but his sixth shot, which was signalled as an inner, robbed the youthful marksman of a possible.

Wilkinson's card follows:

5 5 5 5 5 4 5—34.

The complete results of the Tyro match follow:

CONDITIONS IMPROVE

In the afternoon session conditions were more favorable, the mirage had disappeared, the light was good and not even the slightest breeze blew to harm the shots in any manner. It was just a matter of having a good rifle and landing them straight for the target and the score was made.

Major Fred Richardson showed that he was still one of the best shots in the Province when he carried off the premier honors in the Westminster match with a possible of 50. The veteran of the range piled up the bulls with great accuracy. Sergeant Bolton, the crack Garrison shot, dropped one point for a 49. Major J. M. Blair, of the Seaforth Highlanders of Canada, Cadet Captain J. M. Perry of the 112th, and Major H. P. Letson of the 1st British Columbia Regiment, also compiled the fine total of 49. This match was featured with good scores and 47 was the lowest score to get in the prize list; in fact 47 was out of the running with one of the marksmen.

Sergeant G. F. Walker, of the Westminster Regiment, shooting as a Tyro, carried off the prize in the McDonald Brier match No. 1 with 101 out of a possible of 105. The marksman from across the Gulf dropped one point at each range.

Sergeant Burton, of the Garrison Rifle Association, and Sergeant Major Fyvie, of the 16th Canadian Scottish, each scored 101. Major Richardson made his second possible of the day in this match with seven bulls at the 600-yard point.

Sergt. Bong, of the 112th Cadet Battalion, registered a possible at 500 yards in the McDonald Brier match.

Sergeant Burton, of the Garrison, made a possible at 300 in the first stage of the Victoria match.

WIMBLEDON PLAY MARRED BY RAIN

Tilden Reaches Semi-Finals in Men's Singles by Defeating Brugnon—Helen Wills and E. Ryan Win

MANY OFFERS MADE TO JOIN PRO RANKS

WIMBLEDON, June 25.—Amid rain and gloomy skies at the opening of the second week of Wimbledon's tennis tournament, William T. Tilden was victorious over Brugnon, of France. Tilden won in four sets, and the last two were stiffly contested. The American, by winning, was the first among 128 entries in the men's singles, to reach the semi-finals. The score was 6-2, 6-1, 6-6, 7-5.

The other Franco-American match, between Henri Cochet and Francis T. Hunter, was postponed owing to rain.

Helen Wills and E. Ryan, paired in the women's doubles, defeated Miss B. C. Covell and Gwendolyn R. Sterry, 6-2, 6-3, thereby reaching the third rounds. While tennis on the courts was broken up several times, a great drive against amateurs blossomed in the rain.

THREE OFFERS TO WOMEN

No fewer than three genuine offers, with sterling and dollars in evidence, were made to women players. Betty Nuthall, England's school girl sensation, admitted that she had been approached, but refused to say whether she had accepted or refused. Miss Helen Wills and Mrs. Kitty McKane Godfree were confronted with contracts.

The professional drive is especially aimed at the women players with the purpose of finding a suitable opponent for Mlle. Lenglen, who arrived in London last night. It is understood that only one prominent woman player thus far has given a definite "no."

Thousands and thousands of New York dollars are awaiting word from Helen Wills, Betty Nuthall and Mrs. Godfree if they put their names on the dotted lines. Strange to say, there is little competition in the demand for men's professional services, but any and all of the eight women remaining qualified in the quarter-finals may secure an enviable financial position if they decide to turn "pro."

HELEN HIGHEST PRICED

Miss Helen Wills is the highest priced; Miss Nuthall comes second, and Mrs. Godfree third in the estimation of their drawing capacities subsequent to the signing of contracts. Offers which make C. C. Pyle's contract with Suzanne Lengien pale into insignificance, have bandied about Wimbledon for days. One promoter boasts that he has the signatures of the three most prominent Wimbledon tennis players, who do not desire their names to be given out before the present amateur tournament is completed.

Whatever the outcome of the present drive against amateur tennis, notice has been served that the fight is on in earnest.

JACK WRIGHT STARS IN EASTERN TENNIS

MONTREAL, June 27.—Jack Wright, Canadian Davis Cup star, was easily the outstanding figure in the morning play of the opening day's competitions in the Province of Quebec tennis tournament, winning from L. Cloutier, 6-1, 6-1.

Gilbert Nunns, Toronto, won by default over W. H. Knowles, Montreal; J. McCausland, Toronto, scored a hard fought win over G. Whitlock, Montreal, 6-2, 8-2, and C. W. Aikman, ranking Canadian player, advanced to the second round, defeating Paul Cadotta, Montreal, 6-3, 6-4

Four Fair Contestants for $50,000 Swim

No sporting event in years has attracted as much attention as the twenty-one-mile swimming race to be staged August 31 on Lake Ontario in front of the Canadian National Exhibition Grounds at Toronto. Scores of the world's greatest swimmers, including George Young, winner of the Catalina Channel contest, will compete for the $50,000 prize money. A surprising feature is the number of women who have entered for the long grind. In this group are four with splendid records. At the left is Ethel Hertle, nineteen-year-old New York high school girl, 880-yard champion of the United States and long distance champion of the State of Connecticut. She was for six hours the closest swimmer to George Young and Norman Ross in the Catalina swim. Top centre is Madame Jane Sion, champion long distance swimmer of Europe. She is a Frenchwoman, but resides in Brussels. Lower centre is Mrs. H. Martens, of Toronto, who is a strong swimmer with remarkable staying powers. Right is Mrs. Dorothy Hepworth, of England, who is already training at Montreal for the big event.

Half Million Would Not Tempt Helen Wills to Turn Professional

BERKELEY, June 27.—Helen Wills would not turn professional for $500,000, her father, Dr. C. A. Wills, declared here today, when told of the $40,000 contract awaiting his daughter's signature in England.

"Helen wouldn't accept the offer," Dr. Wills said. "She turned down a $210,000 movie offer last year, and she would do the same if offered $500,000."

SCOTS DEFEAT EDMONTON, 10-1

Footballers From Old Country Show Farmers How Round Ball Game Is Played North of Tweed

LARGEST SCORE OF PRESENT JOURNEY

EDMONTON, June 27.—The Scottish Football Association eleven celebrated their visit to Edmonton tonight by ringing up the largest score of their Canadian tour to date, defeating the local All-Stars by 10-1. It was a clean sweep for the visitors, as the score would indicate.

As an exhibition of soccer as played north of the Tweed, however, it was good to look upon, and the perfect team play of the tourists was an eye-opener to fans, who had never seen a first-class Scottish team in action. After assuming a 6-0 lead in the first half, the invaders took things fairly easy, but without overworking they found it a fairly simple matter to boost their total.

Edmonton's orphan tally came after the count was 9-0. McKay's tricky shot breaking at Hamilton's feet and bounding over his shoulder into the net.

Brief Sport News

MELROSE, Mass.—James Heningen, of the Dorchester A.C., won the ten-mile run at the New England track and field games Saturday. Clarence H. Demar was second. The time was 54:41 1-5.

ATLANTIC CITY, N.J.—William A. Erickson, 250-pound New York youth, won the fifteen-mile Atlantic City ocean swim Saturday night. His time was thirteen hours and thirty seven ininutes. Forty-five swimmers started.

WEST POINT, N.Y.—The Zitenfield twins, Phyllis and Bernice, who are attempting to break Mrs. Lottie Schoemel's Albany-to-New York swimming record, covered thirteen miles of the course today when they arrived at Gees Point Lighthouse.

WIMBLEDON, Eng.—Betty Nuthall has decided to take three months' leave of tennis tournaments after Wimbledon in order to practice serving overhand.

WINDSOR, Ont., June 27.—Battling a strong headwind and heavy rollers, Fred Slater, of Detroit, today won the Riverside to Sandwich swim, about five miles, from Harris Doane to Tecumseh, the border's entry in the Toronto $50,000 marathon.

SPRING HILL, N.S., June 27.—What is believed to be a provincial record in baseball was established here Saturday, when the Spring Hill team, former Nova Scotia baseball champions, won both games of a double-header from the Federals, of Halifax, by scores of 21-5 and 30-11. In the two games the teams amassed a total of 67 runs and made 75 hits, many of which went for extra bases.

Paul Berlenbach Puts Rammel Away In First Stanza

NEW YORK, June 27.—Paul Berlenbach, former world's light heavyweight champion, gained an easy victory in the first battle of his comeback campaign, when he knocked out Charles Rammel, Australian heavyweight, in the first round of a ten-round bout at St. Nicholas Arena tonight.

BICYCLE RACES SET FOR JULY 2

Sport Card at Royal Athletic Park on Morning of July 2 Comprises Lacrosse and Racing Events

TWO-MILE BICYCLE HANDICAP FEATURE

Arrangements have been completed for a good sport card at the Royal Athletic Park on Saturday morning, July 2, to be held in connection with the Diamond Jubilee celebrations.

Billy Kennedy, in announcing the programme yesterday, stated that Mr. Leonard Tait had arranged for a lacrosse game between New Westminster and Victoria.

Prior to the game and during the interval racing events will be run off. The first event will be a one-mile race, open event. This will be followed by a half-mile open event and a race for boys under sixteen years of age. The fourth event will be for boys under thirteen years of age, and the fifth and main event will be a two-mile handicap race. This feature event will be held immediately following the lacrosse game.

The Public Works Department of the city has been carrying out improvements to the track at the Royal Athletic Park, so that a fast course will be ready for the bicycle events.

Mr. Frank Smith will be referee of the lacrosse game, and Mr. Joe Hancock will be judge of play.

RUTH RECOVERS STICK

Favorite Bat, Stolen at Springfield, Is Found on Playground

SPRINGFIELD, Mass., June 27.—Babe Ruth's favorite war club, which disappeared along with a number of others while the Yankees were playing an exhibition game here, has been found.

Ruth offered a reward of $25 for the return of the big stick, with the promise of a duplicate bat and no questions asked.

Today it was turned in to the local baseball club by Daniel F. O'Leary. It appears that a sand lot fan was popping flies at a local player when he noticed that the bat he was using was heftier than common. Closer inspection showed Ruth's name burned in the bat. Just how the bat got to the playground is being investigated. It is said that the other missing bats also were found.

PLAN ANNOUNCED TO SETTLE DIFFICULTIES

B.C.F.A. Officials to Thresh Out Troubles Tomorrow Night—Roots Most Valuable Player

VANCOUVER, June 27.—A new plan which, if carried to fruition, may result in settling soccer differences, was outlined by Dave Nelson, president of the B.C.F.A. at Saturday night's annual meeting. He called a general meeting of managers and secretaries of first division clubs of both Mainland and Coast Leagues for Wednesday night when there will be a threshing out of the round ball situation.

The constitution was not discussed at all Saturday. At the outset a ruling was asked of Dave Nelson, who presided, with regard to the presence of suspended members. He ruled that they should leave the meeting. This ruling was challenged and by a vote of 21 to 18 members were allowed to remain. Messrs. Leith and Samson of the Soccer Commission as a consequence withdrew from the meeting.

The meeting adjourned to permit those present to bid farewell to the visiting Scottish tourists.

It was announced that Andy Roots, goalie, was selected as the most valuable man on the British Columbia All-Star team and he was presented with a miniature gold football. Macfarlane and Dagger, respectively, were next in line.

Cardinals Advance Within a Half-Game Of Leading Pirates

Cards Pound Four Pittsburgh Pitchers for Eleven Hits and Win by 7-5—Phillies Blank Giants, 6-0—Lazzeri and Combs Hit Homers and Yankees Win, 6-2

NATIONAL LEAGUE

NEW YORK, June 27.—The Cardinals pounded four Pittsburgh pitchers for eleven hits at St. Louis today and won, 7 to 5, thus advancing to within half a game of the league leadership. Flint Rhem allowed the visitors nine safeties, but not more than one to an inning except in the sixth when a single, double and homer brought in three runs.

PHILLIES BLANK GIANTS

Willoughby was in rare form at Philadelphia and the Phillies blanked New York, 6 to 0. The Phillies pounded Clarkson from the box and continued the attack on Grimes, his successor.

CUBS GET REVENGE

The Chicago Cubs avenged themselves today for the defeat they received from the Reds yesterday, by walloping two Red pitchers to win the second game at Cincinnati 11 to 4. Mays lasted until Chicago filled the bases in the second inning and drew in two runs, after which Kolp took on the job. The cubs hit for four runs in the third and piled up their remaining scores in the eighth.

AMERICAN LEAGUE

NEW YORK, June 27. — Dutch Ruether pitched the Yankees to a 6-2 victory over Philadelphia today in the fifth game of the series. Home runs beat Ehmke, who started on the mound for the Mackmen. Coombs hit for the circuit in the first inning and Lazzeri duplicated the performance in the fourth with Meusel on base.

SPLIT TWIN BILL

The White Sox and Cleveland divided a double-header at Chicago. The Sox hammered out a 7-2 victory in the first game and the Indians turned the tables in the second encounter, 12-4. Lyons was master of the Indians in the first game, but Southpaw Bert Cole, and his relief pitcher, Charley Barnabe, were shelled for nineteen hits by the Indians in the second game.

TIGERS DEFEAT BROWNS

Detroit took the opening of the home series from the St. Louis Browns, 4 to 2. The Tigers made only six hits but five were in the sixth inning, when they scored all of their runs.

SPEAKER DECIDES ISSUE

Speaker's single in the eighth inning scored Washington's last two runs at Boston and enabled the Senators to take their fourth straight victory from Boston, 9-8. It was the ninth loss for the Red Sox in seven days.

Canadians Send Old-Timer to Fort and Hold Back Last Year's Winners, 5 to 1—Jack Curtis Hurls Bomb at Samplemen to Achieve Victory in Thrilling Fight in Senior Ball

Sons of Canada	3	5	.375

Sons of Canada started an early celebration of Confederation Week last night when they explored the United Commercial Travelers to discover a five to one gold nugget in the panning for the senior amateur ball honors last night at the Royal Athletic Park.

The early settlers sent their old-timer, Jack Curtis, against last year's champions and he was apparently imbued with the fact that this was the time to show the youngsters just how it should be done.

Indeed, Jack did his stuff in old-time fashion. He had his claim and he staked it with four lonely boundaries and gave only three grubstakes. As a matter of fact he was the big prospector, but the help he received in the outskirts was most satisfactory.

Bib Jack Noble opposed Curtis, but found the spirits of the Canadians too great for the auspicious occasion and he was soived to be an easy partner in the expedition.

AN INTERESTING AFFAIR

The game was about as interesting an affair as has been seen at the new scene of the new macadamized road U.C.T. were favored to come through in the early betting, but they lost their stride in the early running and were never in contention, although they showed speed in one or two of the stretches.

It was a sad day for the favorites, but they were beaten by better starters.

The first three laps were neck and neck, but the fourth was a runaway for the Canadians when they gained four paces on the field. In the fifth the Natives outdistanced them by one more length to keep their heads in front for the rest of the distance.

The sixth saw the samplemen draw into contention for the first time when they put over one rider, but after that they failed, appearing to be carrying too much weight to make the grade. Judge McGregor called off the meet at the end of the eighth race, when the sun was just beginning to spread its rays over the "knowing" ones.

Bill Holman headed the Natives by knocking out three winners in four trips in the saddle, while F. Campbell brought home two out of three Webster riding an even four came through with two winners. F. Campbell had a perfect day, accepting eight mounts and coming through with them all.

JOCKEY HAS NARROW ESCAPE AT WINNIPEG

Horse Rolls Twice Over Rider, Who Escapes Almost Unscathed—Favorites Rule Again

WINNIPEG, June 27.—Jockey Green had a miraculous escape from injury during the running of the Speers $25,000 handicap at Whittle Park this afternoon, when his mount, Sanabar, toppled and twice rolled over him. He was taken to the hospital, where an examination showed he had escaped almost unscathed. He never lost consciousness. Nebraska Lad also went over the prostrate jockey and fell, and F. Smith, who had the mount on the latter, was uninjured. The race was won by Missionary, who started in the field along with Rochester II, who finished second. Silent Weapon was third. It was another day for the favorites.

Celebrates Opening of Course With Hole-in-One

VANCOUVER, June 27.—Captain W. J. Conway provided the big feature of the official opening of the New Quilchena Golf Club's course Saturday, when he sunk his tee shot on the 180-yard, eighth hole, a difficult green to reach, being a stiff uphill drive. He was playing with Mr. and Mrs. D. C. Robertson at the time and used a spoon to turn the trick. The club will be the recipient of a flagpole from Captain Conway to commemorate the deed.

FOOTBALL IN GERMANY

"Young skilled machinist wanted immediately in North Germany. First class football player preferred. Give details, etc."

NEWS OF THE SPORTING WORLD

Major F. Richardson Scores Ten Bulls to Win Westminster Cup

Veteran Local Marksman Has Possible at 500-Yard Range—Cadets Well Up in Prize Lists—Wilkinson Takes First in Tyro Match — McDonald Brier Match Won by Sergeant Walker

The forty-ninth annual prize meeting of the British Columbia Rifle Association opened at Heal's Range yesterday with a record entry list. Shooting at the 200-yard point in the early morning, in the Tyro, and the first half of the McDonald Brier match was difficult, and some of the leading marksmen fell by the wayside. A varying light and a heavy mirrage prevented some of the crack shots from applying their usual string of bulls.

Marksmen, many of them veterans of the range, cadets and troops, are all busily engaged in one of the largest shoots in the history of the association. Jack Tyrer, of the 112th Cadet Battalion, is the youngest marksman, who is competing in this rifle shooting classic, while Major Fred Richardson, ex-member of the Canadian team to Bisley, and known generally as the "veteran marksman," is perhaps the senior competitor.

The event will be in progress today, Wednesday and Thursday, when it will terminate with the annual meeting and election of 1927 council.

Cadet Lieutenant Wilkinson, of the 112th Battalion, local eighteen-year-old marksman, carried off the premier honors in the Tyro match when his score fell one short of possible at the 200-yard point. This youthful crack shot registered a good score under trying conditions.

Cadet Sergeant L. Bong, of the same unit, last year's winner of the Tyro match, was second with thirty-three, one point behind Wilkinson. R. S. M. Lamb, of the Northern British Columbia Regiment, of Prince Rupert, was third. Wilkinson started out with applying five straight bulls, but his sixth shot, which was signalled as an inner, robbed the youthful marksman of a possible.

Wilkinson's card follows:

5 5 5 5 5 4 5—34.

The complete results of the Tyro match follow:

CONDITIONS IMPROVE

In the afternoon session conditions were more favorable, the mirage had disappeared, the light was good and not even the slightest breeze blew to harm the shots in any manner. It was just a matter of having a good rifle and landing them straight for the target and the score was made.

Major Fred Richardson showed that he was still one of the best shots in the Province when he carried off the premier honors in the Westminster match with a possible of 50. The veteran of the range piled up the bulls with great accuracy. Sergeant Bolton, the crack Garrison shot, dropped one point for a 49. Major J. M. Blair, of the Seaforth Highlanders of Canada, Cadet Captain J. M. Perry of the 112th, and Major H. F. Letson of the 1st British Columbia Regiment, also compiled the fine total of 49. This match was featured with good scores and 47 was the lowest score to get in the prize list; in fact 47 was out of the running with one of the marksmen.

Sergeant G. F. Walker, of the Westminster Regiment, shooting as a Tyro, carried off the prize in the McDonald Brier match No. 1 with 101 out of a possible of 105. The marksman from across the Gulf dropped one point at each range.

Sergeant Burton, of the Garrison Rifle Association, and Sergeant Major Fyvie, of the 16th Canadian Scottish, each scored 101. Major Richardson made his second possible of the day in this match with seven bulls at the 600-yard point.

Sergt. Bong, of the 112th Cadet Battalion, registered a possible at 500 yards in the McDonald Brier match.

Sergeant Burton, of the Garrison, made a possible at 300 in the first stage of the Victoria match.

WIMBLEDON PLAY MARRED BY RAIN

Tilden Reaches Semi-Finals in Men's Singles by Defeating Brugnon—Helen Wills and E. Ryan Win

MANY OFFERS MADE TO JOIN PRO RANKS

WIMBLEDON, June 25.—Amid rain and gloomy skies at the opening of the second week of Wimbledon's tennis tournament, William T. Tilden was victorious over Brugnon, of France. Tilden won in four sets, and the last two were stiffly contested. The American, by winning, was the first among 128 entries in the men's singles, to reach the semi-finals. The score was 6-2, 6-1, 6-6, 7-5.

The other Franco-American match, between Henri Cochet and Francis T. Hunter, was postponed owing to rain.

Helen Wills and E. Ryan, paired in the women's doubles, defeated Miss B. C. Covell and Gwendolyn R. Sterry, 6-2, 6-3, thereby reaching the third rounds. While tennis on the courts was broken up several times, a great drive against amateurs blossomed in the rain.

THREE OFFERS TO WOMEN

No fewer than three genuine offers, with sterling and dollars in evidence, were made to women players. Betty Nuthall, England's school girl sensation, admitted that she had been approached, but refused to say whether she had accepted or refused. Miss Helen Wills and Mrs. Kitty McKane Godfree were confronted with contracts.

The professional drive is especially aimed at the women players with the purpose of finding a suitable opponent for Mlle. Lenglen, who arrived in London last night. It is understood that only one prominent woman player thus far has given a definite "no."

Thousands and thousands of New York dollars are awaiting word from Helen Wills, Betty Nuthall and Mrs. Godfree if they put their names on the dotted lines. Strange to say, there is little competition in the demand for men's professional services, but any and all of the eight women remaining qualified in the quarter-finals may secure an enviable financial position if they decide to turn "pro."

HELEN HIGHEST PRICED

Miss Helen Wills is the highest priced; Miss Nuthall comes second, and Mrs. Godfree third in the estimation of their drawing capacities subsequent to the signing of contracts. Offers which make C. C. Pyle's contract with Suzanne Lenglen pale into insignificance, have bandied about Wimbledon for days. One promoter boasts that he has the signatures of the three most prominent Wimbledon tennis players, who do not desire their names to be given out before the present amateur tournament is completed.

Whatever the outcome of the present drive against amateur tennis, notice has been served that the fight is on in earnest.

JACK WRIGHT STARS IN EASTERN TENNIS

MONTREAL, June 27.—Jack Wright, Canadian Davis Cup star, was easily the outstanding figure in the morning play of the opening day's competitions in the Province of Quebec tennis tournament, winning from L. Cloutier, 6-1, 6-1.

Gilbert Nunns, Toronto, won by default over W. H. Knowles, Montreal; J. McCausland, Toronto, scored a hard fought win over G. Whitlock, Montreal, 6-2, 8-2, and C. W. Aikman, ranking Canadian player, advanced to the second round, defeating Paul Cadotta, Montreal, 6-3, 6-4.

Four Fair Contestants for $50,000 Swim

No sporting event in years has attracted as much attention as the twenty-one-mile swimming race to be staged August 31 on Lake Ontario in front of the Canadian National Exhibition Grounds at Toronto. Scores of the world's greatest swimmers, including George Young, winner of the Catalina Channel coolest, will compete for the $50,000 prize money. A surprising feature is the number of women who have entered for the long griod. In this group are four with splendid records. At the left is Ethel Hertle, nineteen-year-old New York high school girl, 880-yard champion of the United States and long distance champion of the State of Connecticut. She was for six hours the closest swimmer to George Young and Norman Ross in the Catalina swim. Top centre is Madame Jane Sion, champion long distance swimmer of Europe. She is a Frenchwoman, but resides in Brussels. Lower centre is Mrs. H. Martens, of Toronto, who is a strong swimmer with remarkable staying powers. Right is Mrs. Dorothy Hepworth, of England, who is already training at Montreal for the big event.

Half Million Would Not Tempt Helen Wills to Turn Professional

BERKELEY, June 27.—Helen Wills would not turn professional for $500,000, her father, Dr. C. A. Wills, declared here today, when told of the $40,000 contract awaiting his daughter's signature in England.

"Helen wouldn't accept the offer," Dr. Wills said. "She turned down a $210,000 movie offer last year, and she would do the same if offered $500,000."

SCOTS DEFEAT EDMONTON, 10-1

Footballers From Old Country Show Farmers How Round Ball Game Is Played North of Tweed

LARGEST SCORE OF PRESENT JOURNEY

EDMONTON, June 27.—The Scottish Football Association eleven celebrated their visit to Edmonton tonight by ringing up the largest score of their Canadian tour to date, defeating the local All-Stars by 10-1. It was a clean sweep for the visitors, as the score would indicate.

As an exhibition of soccer as played north of the Tweed, however, it was good to look upon, and the perfect team play of the tourists was an eye-opener to fans, who had never seen a first-class Scottish team in action. After assuming a 6-0 lead in the first half, the invaders took things fairly easy, but without overworking they found it a fairly simple matter to boost their total.

Edmonton's orphan tally came after the count was 9-0. McKay's tricky shot breaking at Hamilton's feet and bounding over his shoulder into the net.

Brief Sport News

MELROSE, Mass.—James Henlingen, of the Dorchester A.C., won the ten-mile run at the New England track and field games Saturday. Clarence H. Demar was second. The time was 54:41 1-5.

ATLANTIC CITY, N.J.—William A. Erickson, 250-pound New York youth, won the fifteen-mile Atlantic City ocean swim Saturday night. His time was thirteen hours and thirty seven minutes. Forty-five swimmers started.

WEST POINT, N.Y.—The Zitenfield twins, Phyllis and Bernice, who are attempting to break Mrs. Lottie Schoemel's Albany-to-New York swimming record, covered thirteen miles of the course today when they arrived at Gees Point, Lighthouse.

WIMBLEDON, Eng.—Betty Nuthall has decided to take three months' leave of tennis tournaments after Wimbledon in order to practice serving overhand.

WINDSOR, Ont., June 27.—Battling a strong headwind and heavy rollers, Fred Slater, of Detroit, today won the Riverside to Sandwich swim, about five miles, from Harris Doane to Tecumseh, the border's entry in the Toronto $50,000 marathon.

SPRING HILL, N.S., June 27.—What is believed to be a provincial record in baseball was established here Saturday, when the Spring Hill team, former Nova Scotia baseball champions, won both games of a double-header from the Federals, of Halifax, by scores of 21-5 and 20-11. In the two games the teams amassed a total of 67 runs and made 75 hits, many of which went for extra bases.

Paul Berlenbach Puts Rammel Away In First Stanza

NEW YORK, June 27.—Paul Berlenbach, former world's light heavyweight champion, gained an easy victory in the first battle of his comeback campaign, when he knocked out Charles Rammel, Australian heavyweight, in the first round of a ten-round bout at St. Nicholas Arena tonight.

BICYCLE RACES SET FOR JULY 2

Sport Card at Royal Athletic Park on Morning of July 2 Comprises Lacrosse and Racing Events

TWO-MILE BICYCLE HANDICAP FEATURE

Arrangements have been completed for a good sport card at the Royal Athletic Park on Saturday morning, July 2, to be held in connection with the Diamond Jubilee celebrations.

Billy Kennedy, in announcing the programme yesterday, stated that Mr. Leonard Tait had arranged for a lacrosse game between New Westminster and Victoria.

Prior to the game and during the interval racing events will be run off. The first event will be a one-mile race, open event. This will be followed by a half-mile open event and a race for boys under sixteen years of age. The fourth event will be for boys under thirteen years of age, and the fifth and main event will be a two-mile handicap race. This feature event will be held immediately following the lacrosse game.

The Public Works Department of the city has been carrying out improvements to the track at the Royal Athletic Park, so that a fast course will be ready for the bicycle events.

Mr. Frank Smith will be referee of the lacrosse game, and Mr. Joe Hancock will be judge of play.

RUTH RECOVERS STICK

Favorite Bat, Stolen at Springfield, Is Found on Playground

SPRINGFIELD, Mass., June 27.—Babe Ruth's favorite war club, which disappeared along with a number of others while the Yankees were playing an exhibition game here, has been found.

Ruth offered a reward of $25 for the return of the big stick, with the promise of a duplicate bat and no questions asked.

Today it was turned in to the local baseball club by Daniel F. O'Leary. It appears that a sand lot fan was popping flies at a local player when he noticed that the bat he was using was heftier than common. Closer inspection showed Ruth's name burned in the bat. Just how the bat got to the playground is being investigated. It is said that the other missing bats also were found.

PLAN ANNOUNCED TO SETTLE DIFFICULTIES

B.C.F.A. Officials to Thresh Out Troubles Tomorrow Night—Roots Most Valuable Player

VANCOUVER, June 27.—A new plan which, if carried to fruition, may result in settling soccer differences, was outlined by Dave Nelson, president of the B.C.F.A. at Saturday night's annual meeting. He called a general meeting of managers and secretaries of first division clubs of both Mainland and Coast Leagues for Wednesday night when there will be a threshing out of the round ball situation.

The constitution was not discussed at all Saturday. At the outset a ruling was asked of Dave Nelson, who presided, with regard to the presence of suspended members. He ruled that they should leave the meeting. This ruling was challenged and by a vote of 21 to 18 members were allowed to remain. Messrs. Leith and Samson of the Soccer Commission as a consequence withdrew from the meeting.

The meeting adjourned to permit those present to bid farewell to the visiting Scottish tourists.

It was announced that Andy Roots, goalie, was selected as the most valuable man on the British Columbia All-Star team and he was presented with a miniature gold football. Macfarlane and Dagger, respectively, were next in line.

Cardinals Advance Within a Half-Game Of Leading Pirates

Cards Pound Four Pittsburgh Pitchers for Eleven Hits and Win by 7-5—Phillies Blank Giants, 6-0—Lazzeri and Combs Hit Homers and Yankees Win, 6-2

NATIONAL LEAGUE

NEW YORK, June 27.—The Cardinals pounded four Pittsburgh pitchers for eleven hits at St. Louis today and won, 7 to 5, thus advancing to within half a game of the league leadership. Flint Rhem allowed the visitors nine safeties, but not more than one to an inning except in the sixth when a single, double and homer brought in three runs.

PHILLIES BLANK GIANTS

Willoughby was in rare form at Philadelphia and the Phillies blanked New York, 6 to 0. The Phillies pounded Clarkson from the box and continued the attack on Grimes, his successor.

CUBS GET REVENGE

The Chicago Cubs avenged themselves today for the defeat they received from the Reds yesterday, by walloping two Red pitchers to win the second game at Cincinnati 11 to 4. Mays lasted until Chicago filled the bases in the second inning and drew in two runs, after which Kolp took on the job. The cubs hit for four runs in the third and piled up their remaining scores in the eighth.

AMERICAN LEAGUE

NEW YORK, June 27. — Dutch Ruether pitched the Yankees to a 6-2 victory over Philadelphia today in the fifth game of the series. Home runs beat Ehmke, who started on the mound for the Mackmen. Coombs hit for the circuit in the first inning and Lazzeri duplicated the performance in the fourth with Meusel on base.

SPLIT TWIN BILL

The White Sox and Cleveland divided a double-header at Chicago. The Sox hammered out a 7-2 victory in the first game and the Indians turned the tables in the second encounter, 12-4. Lyons was master of the Indians in the first game, but Southpaw Bert Cole, and his relief pitcher, Charley Barnabe, were shelled for nineteen hits by the Indians in the second game.

TIGERS DEFEAT BROWNS

Detroit took the opening of the home series from the St. Louis Browns, 4 to 2. The Tigers made only six hits but five were in the sixth inning, when they scored all of their runs.

SPEAKER DECIDES ISSUE

Speaker's single in the eighth inning scored Washington's last two runs at Boston and enabled the Senators to take their fourth straight victory from Boston, 9-8. It was the ninth loss for the Red Sox in seven days.

Blue Blood Pays $365.10 to Win At Chicago Meet

CHICAGO, June 27. — Blue Blood, C. L. Everet's two-year-old, won the first race at Washington Park, Homewood, Ill., today, at odds of $365.10 for $2. He paid $138.40 to place and $106.70 to show. The second and third horses also were long shots. Morocco paid $36.30 for $2 to place and $21.40 to show, while the third horse, Tregris, paid $22.40 to show.

JOCKEY HAS NARROW ESCAPE AT WINNIPEG

Horse Rolls Twice Over Rider, Who Escapes Almost Unscathed—Favorites Rule Again

WINNIPEG, June 27.—Jockey Green had a miraculous escape from injury during the running of the Speers $25,000 handicap at Whittie Park this afternoon, when his mount, Sanabar, toppled and twice rolled over him. He was taken to the hospital, where an examination showed he had escaped almost unscathed. He never lost consciousness. Nebraska Lad also went over the prostrate jockey and fell, and F. Smith, who had the mount on the latter, was uninjured. The race was won by Missionary, who started in the field along with Rochester II, who finished second. Silent Weapon was third. It was another day for the favorites.

Celebrates Opening of Course With Hole-in-One

VANCOUVER, June 27.—Captain W. J. Conway provided the big feature of the official opening of the New Quilchena Golf Club's course Saturday, when he sunk his tee shot on the 180-yard, eighth hole, a difficult green to reach, being a stiff uphill drive. He was playing with Mr. and Mrs. D. C. Robertson at the time and used a mooon to turn the trick. The club will be the recipient of a flagpole from Captain Conway to commemorate the dodo.

FOOTBALL IN GERMANY

The extent to which football has been taken up by Germans, especially the workers, since the end of the World War, is indicated by the following advertisement in a recent issue of an employers' paper:

"Young skilled machinist wanted immediately in North Germany. First class football player preferred. Give details, etc."

Canadians Send Old-Timer to Fort and Hold Back Last Year's Winners, 5 to 1—Jack Curtis Hurls Bomb at Samplemen to Achieve Victory in Thrilling Fight in Senior Ball

LEAGUE STANDING

	W.	L.	Pcts.
Eagles	5	3	.625
U.C.T.	5	4	.556
Sons of Canada	3	5	.375

Sons of Canada started an early celebration of Confederation Week last night when they explored the United Commercial Travelers to discover a five to one gold nugget in the panning for the senior amateur ball honors last night at the Royal Athletic Park.

The early settlers sent their old-timer, Jack Curtis, against last year's champions and he was apparently imbued with the fact that this was the time to show the youngsters just how it should be done.

Indeed, Jack did his stuff in old-time fashion. He had his claim and he staked it with four lonely boundaries and gave only three grubstakes. As a matter of fact he was the big prospector, but the help he received in the outskirts was most satisfactory.

Bib Jack Noble opposed Curtis, but found the spirits of the Canadians too great for the auspicious occasion and he was solved to be an easy partner in the expedition.

AN INTERESTING AFFAIR

The game was about as interesting an affair as has been seen at the new scene of the new macadamized road. U.C.T. were favored to come through in the early betting, but they lost their stride in the early running and were never in contention, although they showed speed in one or two of the stretches.

It was a sad day for the favorites, but they were beaten by better starters.

The first three laps were neck and neck, but the fourth was a runaway for the Canadians when they gained four paces on the field. In the fifth the Natives outdistanced them by one more length to keep their heads in front for the rest of the distance.

The sixth saw the samplemen draw into contention for the first time when they put over one rider, but after that they failed, appearing to be carrying too much weight to make the grade. Judge McGregor called off the meet at the end of the eighth race, when the sun was just beginning to spread its rays over the "knowing" ones.

Bill Holman headed the Natives by knocking out three winners in four trips in the saddle, while F. Campbell brought home two out of three Webster riding an even four came through with two winners. F. Campbell had a perfect day, accepting eight mounts and coming through with them all.

The numbered definitions are of words which, when correctly thought out, fill the white spaces in the diagram. Each number represents the beginning of a word, reading either across or down to a black square. A black square to the left of the number indicates a horizontal word; above a number, a vertical word. Both vertical and horizontal numbers may begin a word, though inspection of the puzzle will show this is not always the case. The correct words will have one white space for each letter and will interlock accurately and satisfy the definitions. The horizontal and vertical words are different and through the definitions serve to check each other off with cross-clues, from which you can recognize other words. The best method of solving is, first, to fill in, down and across, all the words you are absolutely sure of. Then go over the imperfect words, referring to the definitions. The skeletons of words will often suggest another word, and by degrees—plus persistence and ingenuity—the entire series of words will cross correctly. All the words are found in standard lexicons.

SCRATCH TENNIS PROVES EXCITING

Steve Jones Beats Bud Hocking in Open Singles—Miss M. Campbell Scores Win Over Miss N. Wilson

DRAW FOR TODAY'S PLAY ANNOUNCED

Play in the annual scratch handicap tournament of the Victoria Lawn Tennis Club continued yesterday with several exciting matches. In the men's open singles Steve Jones provided somewhat of an upset when he defeated Bud Hocking, 6-3, 1-6, 6-4. Both players showed fine work and there was little to choose between them.

In the ladies' open singles Miss M. Campbell scored a close win over Miss N. Wilson in threeclose sets, but in the ladies' single handicap she reversed the decision by winning from Miss Joan List in two close sets, 13-11 and 6-4.

The results follow:

MEN'S HANDICAP SINGLES

D. M. Gordon, minus 40.3, defeated L. S. Henderson, minus three-sixths, 6-4, 6-1.

A. M. D. Fairbairn, minus 30.3, defeated R. G. Christy, minus three-sixths, 6-2, 6-1.

E. H. List, plus 15, defeated K. Osler, minus 15, 7-5, 6-4.

E. A. McSwain, minus 15.2, defeated R. E. Diespecker, plus 30, 6-4, 6-3.

AMATEUR FIGHT CARD ARRANGED

Tillicum Athletic Club Will Make Strong Effort to Bring Back Boxing Game Amongst Simon-Pures

LOCAL FIGHTERS TO DISPLAY THEIR ART

Followers of the padded mitt game, and there are plenty of them, will have a first-class card for their approval on Wednesday night at the gymnasium of the Tillicum Athletic Club, 1305 Broad Street, with the first bout starting at 8 o'clock.

A strong effort is being put forward by the club to re-establish the game among the Simon-Pures, and any fighter, although not ready to fight in the coming card, is advised to get in touch with F. B. Richardson, of the club. He can be reached at the club premises, 1421½ Douglas Street, or at 736 Yates Street.

Red Mawhood, of the 16th Canadian Scottish, who recently showed his stuff at the recent card staged by the militia unit at the Armories, will mix with Storch in what promises to be a real go. The boys have been training for the last three weeks and are in good shape, and ready for the gong. R. McVie, and Whittaker, a couple of local boys, both packing a wicked wallop, are also billed on this attractive card. LaBelle, and Sinnott, who pull the scales down to 145 pounds, are scheduled for a three-round argument that promises to be full of thrills.

J. L. Plant, who recently suffered a technical K. O. at the hands of Dave Lewis, will don the mitts once again with W. H. Neff, of Shawnigan Lake. Plant is a good boy, and although he took a lot of punishment in his last fight he will, with the proper training, come forward and make things warm for the boys in his class.

Sivertz, who is a member of the 16th Canadian Scottish Regiment, will appear on the card, but his opponent has yet to be named. Neal and Wilkerson are among those who will don the mitts on Wednesday.

It is hoped to get at least seven first class bouts on the card, with the possibility of a wrestling exhibition.

The complete card follows:

85 pounds—Charlie Stock (Duncan) vs. Clarie Leash (Victoria).

145 pounds—W. H. Neff (Shawnigan Lake) vs. Plant (Victoria).

150 pounds—Cliff Dawley (Esquimalt) vs. Tom Emery (Victoria).

120 pounds—Siverts (16th Scottish) vs. Neal or Wilkinson (Victoria).

148 pounds—McVie (16th Scottish) vs. Whittaker (Victoria).

145 pounds—Sinnott (16th Scottish) vs. La Belle (Victoria).

180 pounds — Mawhood (Battalion champion 16th Scottish) vs. Charlie Storch (Victoria).

Jack Davies will meet an opponent from Regina, weight 138 pounds.

British Fighter Wins European Championship

LONDON, June 27.—Phil Scott, British heavyweight champion, defeated Pierre Charles, Belgian pugilist, in a fifteen-round fight here today for the European heavyweight championship. Scott won on points.

Water Carnival on July 1 Will Be Entertaining One

Officials Are Appointed to Take Charge of Various Events—Programme Includes Nineteen Contests, Many of Which Are of a Novelty Character

Every detail in connection with the water carnival to be held in the Inner Harbor on the evening of July 1 has been completed by the committee in charge, of which Billy Kennedy is chairman. With a comprehensive programme of nineteen events, many of which are of a novel character, there is every assurance that the public will be well entertained.

Officials have been appointed to take charge of the various events. For rowing and canoe races Mr. R. F. Taylor has been appointed referee, Mr. D. O. Sullivan starter, and Mr. A. I. Kirkpatrick clerk of the course. The judges will be Messrs. A. H. Cox, Archie Wills, Walter McGuire, B. C. Nicholas, F. W. Thomas, C. Mallendine, S. Hobbis and W. Crockford. The timekeepers will be Messrs. W. H. Wilkerson and C. Wenger. Mr. R. H. Hiscock has been appointed announcer.

The swimming events will be in charge of Messrs. J. D. McNeil, George Stott and W. B. Christopher. Billy Kennedy is chairman of the Jubilee Sports Committee. This committee was selected from the membership of the Junior Chamber of Commerce.

The programme will start at 6:15 o'clock, in front of the Empress Hotel. All the races will be staged as close to the Causeway as possible, so that everyone will have an opportunity of seeing them. The programme is as follows:

1. Double dinghy race, girls under 15 years, open.
2. Double dinghy race, boys under 15, open.
3. Senior double sculls, J.B.A.A.
4. Double dinghy race, gentlemen, open.
5. Fifty yards handicap swim, men, open.
6. Junior double sculls, Victoria J.B.A.A.
7. Double dinghy race, lady and gentleman, open.
8. Four-oared race, Victoria J.B.A.A. vs. Brentwood College.

15. Upset canoe race, open.
16. Canoe tilting, open.
17. Greasy pole, open.
18. Canoe tug-of-war, four men to canoe.
19. Surf-board riding.

GREAT RADIO PLAN SET FOR FRIDAY

CFCT Announces Extensive Plans for Jubilee Local Station Hook-Ups With East in National Broadcast

Arrangements are now being perfected whereby the greatest "tie-up" in Canada's radio history will make it possible for CFCT, Victoria's radio station, to transmit to thousands the King's speech at Buckingham Palace. The King's address will be transmitted across the Atlantic by beam wireless, the latest marvel of radio, to Montreal, where it will be relayed directly to Victoria by land wire.

Thousands of miles of private telephone lines across Canada—the united efforts of more than twenty radio stations and scores of radio engineers—plus all that money and brains can accomplish will be utilized in this one monstrous attempt to fittingly mark the approaching milestone in Canada's history, the Diamond Jubilee.

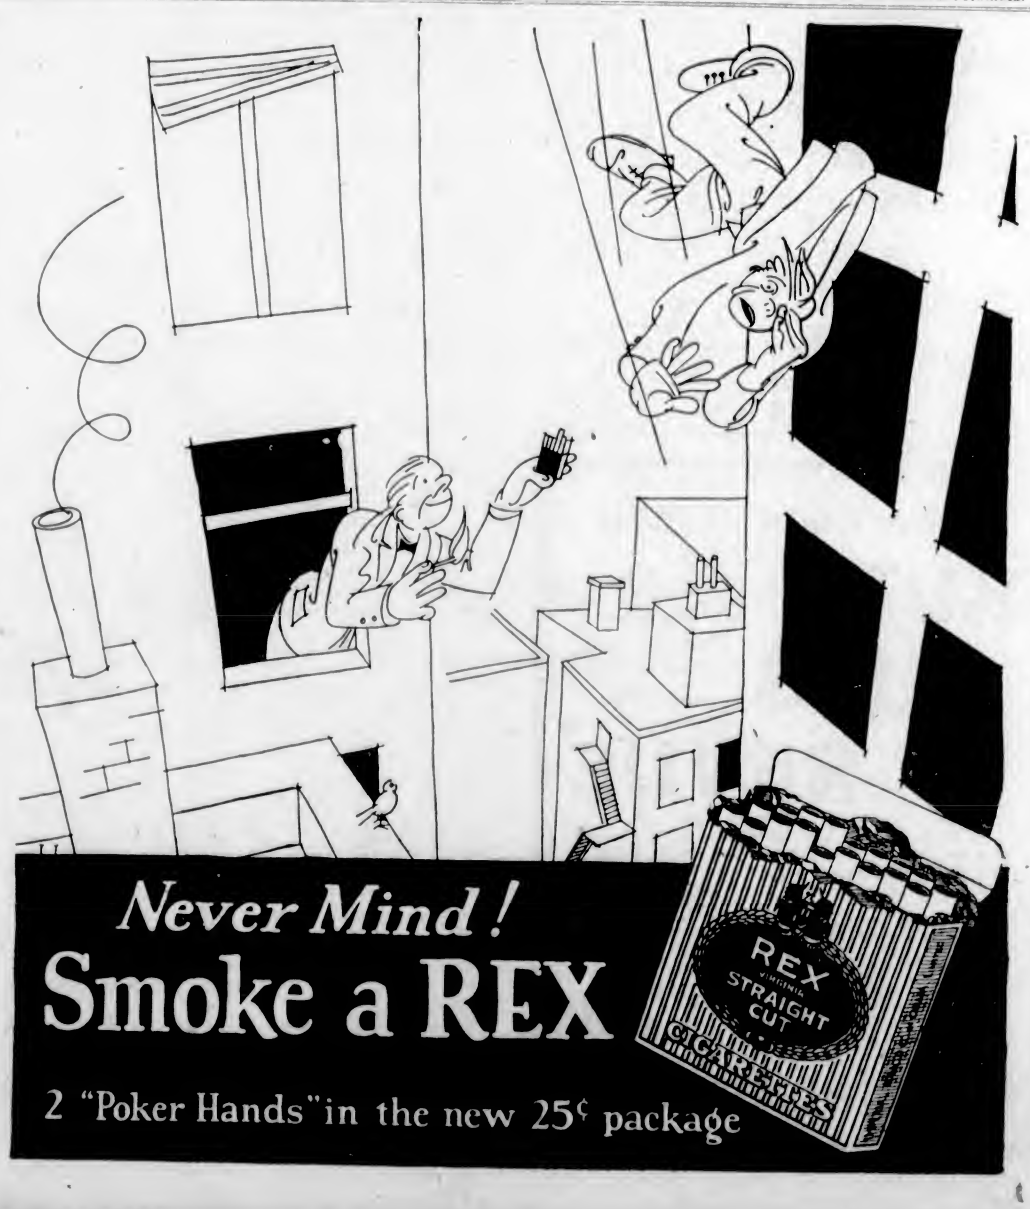

The main feature, decidedly, is the King's speech, but the initial objective of the network was that Canadians might be enabled to hear the new carillon in the Victory Tower, the speeches by the Governor-General, the Premier, and those in the national limelight, the massed bands and choirs and the finest talent the continent can produce—all of which are a part of celebrations taking place in the Dominion's capital.

No expense or trouble has been spared and the management of CFCT is confident that, judging by tests already carried out, this undertaking will be a nation-wide success.

In his first year on the links, Ed McConnell, of Jacksonville, Fla., recently scored a seventy-nine and shoots consistently in the eighties.

STIRRING NAVAL FILM AT CAPITOL

Robert Kane's New Million Dollar Picture, "Convoy," Shows All Week

With the assembling of several spectacular scenes of the Battle of Jutland, including the sinking of a part of the German fleet, Robert Kane's epic of the Navy is at last ready for release. The special which was four months in the making and cost more than $1,000,000, is to be shown at the Capitol all this week.

On the stage this week at the Capitol Theatre the management have been very fortunate in securing three extremely entertaining acts of vaudeville, all three acts being received delightedly by the large house last evening. They include Claude and Alec in a wonderful musical offering entitled "Echos from Hawaii," introducing several haunting native Hawaiian melodies. Baby Helen Pederson, hailed as the child wonder, is certainly an act in itself. The Argentine Duo, a very clever South American dance team, offered to Victorians for their approval, several dainty dances. These two artists are without a doubt masters of the terpsichorean art.

DOMINION THEATRE Karl Dane and George K. Arthur, two screen comedians who have appeared during the last two years in a large number of box office successes, are now being presented to the picture-going public as a comedy team. Their initial appearance as a team will be in "Rookies," a Metro-Goldwyn-Mayer farce comedy based on life at a citizens' military training camp which is now showing at the Dominion Theatre. Karl Dane was made famous overnight in "The Big Parade," King Vidor's remarkable film starring John Gilbert. Dane was one of the trio of American doughboys and had the comedy role of Slim, the tobacco spitting ironworker who helped save the world for democracy. Since that time he has appeared in a number of big feature pictures released by Metro-Goldwyn-Mayer. In "La Boheme," Lillian Gish's starring vehicle, he had a role of the concierge, while in Miss Gish's "The Scarlet Letter," he played the part of Giles.

COLUMBIA THEATRE A great fleet of battleships, directed by radio from the flagship, and each ocean fortress obeying the orders of a screen director, just like a trained actor, was the remarkable achievement, through co-operation of the United States Government, by which the most spectacular sea warfare ever filmed was made, for "Tell It To The Marines," epic of the Marine Corps now playing at the Columbia Theatre. The entire Pacific fleet, including superdreadnoughts, battle cruisers, destroyers and torpedo boats, took place in the mighty scene, which was made during the forced battle manoeuvres of the fleet.

VARIETY THEATRE "Pack up your troubles in your old kit bag" and come on down to the Variety Theatre where Harold Lloyd's latest Paramount release, "The Kid Brother" is regaling crowded houses. Those who attended last night's performance will say that "The Kid Brother" occupies a place on the same high plane as "The Freshman," "Hot Water," "Safety Last," and "For Heaven's Sake." It has laughs, plot, capable farceurs, original gags and sixty minutes crammed with side-splitting Lloydian humor. "The Kid Brother" starts where others leave off when a medicine show arrives in Hickoryville. Harold Hickory, son of the sheriff and "kid brother" of two supermen, innocently gives them a permit to set up their tent, and the fun is off to a smashing start.

PLAYHOUSE THEATRE Elaine Hammerstein, Columbia star, now at the Playhouse Theatre in "S.O.S., Perils of the Sea," has startled Hollywood in particular, and her close friends in general by a new hobby of hers which is distinctly original. Many actresses have acquired "poor fish" before—but they have been of one human variety and without fins. But Miss Hammerstein has a collection of real, honest to goodness members of the deepsea squad that is the envy of aquarists—or whatever fish collectors are called. All will hope that they never meet any of Miss Hammerstein's pets at night—or during the day either for that matter. They are all distinguished by some amazing peculiarity that may be interesting but very unpleasant.

COLISEUM THEATRE The show at the Coliseum this week is highly entertaining and is furnishing entertainment that will please the severest critics. It is an exceptionally good show, got together at considerable expense to please the large holiday crowds that are expected this week. The stage offering is "Five Acts of Vaudeville," some of which were obtained from as far south as Portland, some from Vancouver, and two from Victoria's own talent, who never fail to please. Headlining the vaudeville bill is Professor Darby, who gives an entertaining act of magic and ventriloquism, that cannot be surpassed anywhere. Darby has an act that is always in great demand, and he has played many return engagements, by popular request, wherever he has shown. The Abrams, sisters, offer a pleasing act of songs and dances, that are extremely good. No doubt these two young girls will go far in their chosen profession. A pleasant surprise on this week's bill, is Peggy Lewis, Victoria's favorite character singer. Miss Wilson, another Victoria favorite, offers a dancing act that will please everyone. Miss Wilson, is undoubtedly the cleverest dancer in this city, bar none.

"Ho, hum," sighed Adam, "its a good thing I don't have to decide between a blonde and a brunette."—Border Cities Star.

CHAPTER XXXVI (Continued)

Lord Barstone repeated the words of the Egyptian police officer: "You have received orders from your Government in Cairo to arrest the Princess de Calvario?" he said. "On what charge?"

"That I cannot tell you now," the Egyptian answered, "because my orders came by telegram; but it is for some very important reason, because they are very urgent. Let me ask a question. Has this lady an attendant with her supposed to be of German nationality?"

"No," answered Barstone sharply, "she has no such attendant."

"Now, milor'," continued the Chef de Police, "does this lady intend to surrender herself to me?"

Lord Barstone did not answer; he touched the button of the electric bell. When the man answered, he said:

"Give my compliments to the British Consul, and ask him if he will kindly come here."

There was an interval of silence, and then the jovial face of the Consul, fresh from a good luncheon, appeared a tthe door.

"This police officer," commenced Lord Barstone, "states that he has orders from his Government in Cairo to arrest the Princess de Calvaria. He requests me to give her up."

The Consul smiled.

"You know very well, Chief," he said, "that you cannot demand such a thing."

"And why not?" demanded the Egyptian truculently.

The Consul quite realized that the man was trying to bluff them.

"Just come here a minute, Chief," he requested.

He led the way out of the deck house.

"Do you see that flag flying yonder?" he said, pointing to the Union Jack at the stern of the yacht.

"Yes, I see it," the Chef replied insolently.

"Well, every person on board this ship is under the protection of that flag, and you can no more arrest a person on board than you can arrest a man walking down Regent Street."

"We will see about that, Monsieur le Consul d'Angleterre," the Egyptian rejoined.

He went to the side of the ship and clapped his hands. The launch in which he came, and which had been standing off, immediately came alongside.

"Now, Monsieur le Consul," the Chef cried, "do you wish me to send a message to the Fort to sink this yacht, or will you give up this woman, a fugitive from justice?"

"I must get you to take a look in another direction, Chef," the Consul answered coolly. "If you look across the bows you will see a British cruiser, the presence of which you are well aware of. Before your old popguns in the Forts had got off more than a round, that cruiser would lay your battery in ashes and probably most of the town, too. So don't try and bluff me, Mr. Policeman. Lord Barstone," he continued, "will you oblige me by signalling to the British ship of war and asking the captain to send an armed boat? This police officer has no right to force himself on board a British ship, and if he remains here, I have no doubt but the captain of the cruiser will arrest him."

But the Gippy policeman did not intend to remain. He had already begun to edge towards the accommodation ladder when the Consul mentioned the British cruiser.

He paused at the steps.

"You will hear more of this affair, Monsieur le Consul," he remarked. "This is a matter of international importance."

"Good morning, Chef," replied the Consul dryly.

Meanwhile poor Maris was sitting alone below, Lady Barstone and the other ladies having retired for their usual rest.

Maris little knew the danger which had overshadowed her.

"I shall not tell the Princess anything about this matter," Barstone remarked with knitted brows; "it might upset her."

The Consul was far too astute and experienced to ask any questions in such a matter. He merely nodded, but in his heart he wondered what it was all about.

Talented Tiny Tots Score Immediate Success

PROVIDING sixty minutes of hilarious fun and sparkling dancing, the Kute Kids Revue, under the management of Howard Le Roy, scored an instantaneous hit at the Crystal Garden last evening. This was the first performance of a full week at the Garden, and it is practically a certainty that full houses will greet these talented juveniles at every performance for the balance of the week.

Babs Walker and Joy Canning dance and sing with a grace and charm which speaks volumes for the training they have received. Their Apache dance is one of the high lights of the show. Zoe and Jacqueline Higginson, in step dances and character dances, offer something decidedly out of the ordinary. Tiny Flo Sampson, billed as the world's smallest contortionist and acrobat, received an ovation which her clever performance fully merited. Bessie Walker, sister of Babs, offered several toe dancing and Russian interpretations, which were heartily encored.

The Kute Kids Revue play every evening this week at the Crystal Garden, with a special matinee for children on Wednesday afternoon at 2:30 o'clock.

Health and Diet Advice

By DR. FRANK McCOY

BLOOD POISONING

Practically all disease develops from a poisoned state of the blood-stream. This fact I will repeat over and over again in these articles, but the lesson I wish to give you today is one which will teach you how to take care of an acute case of blood poisoning, such as that which develops after the foot has been punctured by a rusty nail.

From this kind of wound, and others of a similar nature, tetanus with lock-jaw often develops. These wounds are usually treated with antiseptics in an attempt to kill any invading bacteria which may get into the wound and develop blood poisoning. This treatment although advisable as a precautionary measure, is often not enough to stop the spread of septicemia.

After the skin of the foot or hand has been broken open and the tissues violently injured, there is a valuable treatment which should always be used and which will in every way, prevent any possibility of blood poisoning developing. It is this simple, old remedy of your grandmother's—soaking the affected part in hot water.

If the foot or hand has been injured, it is very easy to keep either of these extremities in a pan of hot water for several hours at a time. This should be done as soon as possible after the injury. One will often not want to take enough time away from work or from school or play, but thousands of deaths would be prevented if my suggestions were followed. The hot water should be used as hot as can be borne, and is itself, of course, sterilized and will thoroughly cleanse the injured part.

The wet, moist heat of the water is also effective in increasing the circulation of blood through the region of the injury, thus distributing the blood changes so that the rest of the body is also able to take care of some of the poisoning which has resulted from broken-down tissues. Dry heat is nowhere near as effective as the hot water.

If the injury occurs in some other part of the body besides the hand or foot, it is a good plan to soak that part of the body in hot water as well, even if it is necessary to lie in the bath tub and be completely covered with only the head protruding. A bath of this kind should not be extended over thirty minutes at a time, but may be repeated three or four times daily.

Do not wait for a fever or pus to develop, but start the treatment I have recommended at once or as soon as possible after the injury.

It is all right, occasionally, to drop on some antiseptic, such as iodine or mercurochrome, but do not expect the killing of bacteria will be enough to get rid of the poisoning caused from the broken-down tissues around the cut. The congealed and thickened blood around the injury must be gotten rid of, as the moment the blood becomes dead it starts to decompose and putrefaction sets in, which poisons the surrounding tissues.

Remember what I have told you in this article, and the next time your child cuts his foot—try the hot water treatment and see how quickly the cut will heal afterwards.

Argument Is Heard In Timber Dispute

Hughes vs. Frank Beban Lumber Company, Ltd., and Frank Beban, is an appeal by defendant, Frank Beban, from the judgment of Mr. Justice Morrison and the verdict of a jury, giving plaintiff $1,118.60 damages for certain timber alleged to have been taken off his land during his absence. The action had been discontinued as against the company. Plaintiff had been away from the property for some twenty years, in the Yukon. He bought it in 1902, returning in 1923, visited the property early in 1924, and found the timber cut off it. Defendant denied having taken off the timber, but witnesses swore to logging operations by him on the property, and the jury accepted their evidence. Defendant appealed, mainly on grounds of misdirection by the trial judge, and argument is proceeding.

Mr. Maclean, K.C., for appellant; Mr. Campbell for respondent.

A good drink for the children because it is *pure*

"CANADA DRY" is an especially good drink for the children because of its purity and quality and because it is made from the highest grade Jamaica ginger.

Proof of the outstanding quality of "Canada Dry" is found in the fact that it has been served for years in great hospitals throughout the Dominion, and is prescribed by many physicians.

There is, indeed, no beverage in all the world that is made with more exacting care than "Canada Dry."

Its matchless quality has made it the sensation of New York and the whole United States and you will find it sold even in London, Paris, St. Moritz, Bombay and Cairo. No other Canadian product is so well known as this fine old home ginger ale with the wonderful flavor.

HOURS OF LABOR RULE CLARIFIED

Order-in-Council Is Passed Removing Ambiguity From Former Section 9 of Eight-Hour Day Regulations

ORDER GOVERNS SHIPYARD MEN

By order-in-Council passed yesterday the Government cleared up uncertainty regarding the status of workers in shipyards under the eight-hour-day law.

Only when engaged in emergency repair work are workers in shipyards and similar plants exempt from the section of the act establishing eight hours as the legal working day, the new regulation says.

Section nine of the regulation has been rescinded. It read: "All persons employed in ship repair plants, engineering works, machine shops, foundries, welding plants, sheet metal works, belt works, saw works and all like plants doing repair work, when engaged on urgent work which must of necessity be done, in order that other industries shall not be seriously handicapped in their operations, are exempt from the provisions of section three of the Act."

The new section nine, substituted for the above paragraph by the order-in-council passed yesterday, reads as follows:

"All persons employed in shipyards, engineering works, machine shops, foundries, welding plants, sheet metal works, belt works, saw works, and plants of a similar nature, when engaged on emergency repair work only, are exempt from the provisions of section three of the Act."

Railway Opens Up Fishermen's Paradise

1. A promising pool on the Cains River. 2. Hook-bill salmon taken from the Saint John River last season. 3. One of the fine camping sites along the salmon rivers.

WHILE it is twenty-three years since it was found that Atlantic salmon would rise to a fly, it is considerable shorter since the discovery was made that these huge fighting fish were to be caught many miles inland in the rivers of New Brunswick. Yet such is the fact that only adds to the world-wide reputation of the Province of New Brunswick as a big game hunting and fishing paradise.

The Saint John River, one of the best choices when salmon fishing is being considered, flows through the centre of the Province draining an extensive territory and emptying into the Bay of Fundy. The large fish enter the river at its mouth at the city of Saint John and pass up on their way to the spawning grounds of the Tobique, lying over 120 miles from the sea. James S. Neill, a merchant of Fredericton, was the first to make the discovery. It was in 1903 that the first trip to the Miramichi was made. Neill and Joseph Walker hooked and gaffed their first salmon at Hartt's Island. Since that time the sport has become widely known, and during one season alone, in 1923, no less than four hundred salmon were taken by fly from these waters, the largest being a twenty-eight pounder caught by Raymond Currie of Fredericton.

The Cains River, another of New Brunswick's largest, vies with the Saint John when it comes to record Atlantic salmon. This stream is under lease to Harry Allan, well-known guide, whose outfits are at the disposal of sportsmen. The pool at Hartland, and the other pools in the vicinity, are reached by the Canadian Pacific Railway. The former one has been pronounced as one of the finest in the province.

An interesting point in connection with the growth of this sport is its popularity with American sportsmen, who are coming to New Brunswick in increasing numbers each season to take part in what they describe as the most exciting form of angling to be found. Their opinions are shared by all who have ever dropped a line in some of the peaceful-looking pools along these rivers where the fighting salmon lurk.

GUNBOAT PANTHER TO BE DESTROYED

German Trouble-Maker to Be Broken Up—Figured in Agadir Incident

LONDON, England (By Mail).—Everybody will remember the trouble caused by the sudden appearance of the German gunboat Panther at Agadir in 1911, and the manner in which the British fleet prepared for immediate action, and a war with Germany was only narrowly averted.

She was a stormy petrel wherever she went, and it is something of a relief to learn that the German Navy has decided to break her up, after using her for some time as a surveying ship. She was built by the Danzig Imperial Dockyard in 1901, and was one of a new type that had been introduced into the German Navy on account of their colonial aspirations.

Quite different from the heavily armored gunboats which the Germans had previously built for coast defence, she carried two 4.1-inch guns as a main armament, and with her displacement of 900 tons, speed of 13½ knots and big cruising radius, she was intended for duty on the distant stations.

She was employed all over the seven seas, very largely on the North American station, until in July, 1911, she was suddenly sent to Agadir in order to test the feeling of Europe towards the British fleet prepared for immediate action, and a war with Germany was only narrowly averted. The result was that no doubt was left in the minds of the British authorities, and they decided to postpone their plans.

TROUBLE IN SOLENT

Within a few months she was causing trouble in the Solent, where her officers had taken advantage of a friendly visit to Southampton to take a number of photographs of the defences.

Shortly before the war she was festering trouble in the Mediterranean, with the result that was seen when Turkey threw in her lot with the Central Powers, but she contrived to get home to Germany before the outbreak of hostilities.

During the war she was used principally as a guardship in the Sound, where she examined the papers of innumerable neutral merchantmen. Soon after the Armistice her guns were removed, and she was converted into a surveying ship, a duty which she has been fulfilling ever since, principally in Baltic waters.

She is now considered to be worn out, and the Germans are building a new surveying ship, up to date in every respect, to take her place.

INLAND RIVERS YIELD PEARLS

STREAMS IN ARKANSAS STILL FURNISH VERY VALUABLE HARVEST

Many Button Factories in Operation Along River Banks—Important Industry

IMBODEN, Ark., June 24.—Black Springs and Strawberry River have been known for their pearl producing industry since 1897, but only lately has pearl hunting in the territory taken on the appearance of a modern industry. Many button factories are now being operated along the rivers, and modern methods are being employed in the industry.

The pearl industry and shell fishing began in the Spring of 1897 when Dr. J. H. Meyers, then residing at Black Rock, began searching for pearls in mollusks and clams taken from Black River a few miles north of the town. His first day's search was rewarded by the finding of a ball pearl of perfect shape and color weighing fourteen grains.

Following this strike the work was started in earnest and many types of dredges and tongs were put into use. The most popular was a homemade rake, constructed from cottonseed forks with which the clam and "mucket" hunters raked the shallow waters.

During the first few years the shell was discarded and hundreds of valuable pearls were sold for $5 to $10 that are now estimated to be worth more than $100 and many as high as $5,000 each.

In 1899, Dr. Meyer shipped the first car of shells to Lincoln, Neb., for button making, having learned the particular shell found along the river was valuable for button making. Following this first shipment many Northern men came to the river to buy and to gather the shells for the button trade.

In 1900 the first button factory in the South was installed at Black River by Dr. Meyers, Dr. N. F. Townsend and H. W. Townsend. Following a strike of the button cutters soon afterward, the Davenport Pearl Button Company, of Davenport, O., bought and enlarged the plant, which still is operating.

As near as can be determined there was $11,000 paid out for pearls in 1898; $55,000 in 1898, and for the next several years the sum increased approximately $56,000 annually. Today the industry is one of the leading in the State.

Overhaul Completed

After having been repaired by Yarrows, Limited, the Princess Victoria of the C.P.R. will be ready to resume service shortly. The vessel is scheduled to be released from the ways after cleaning and painting operations this afternoon or early this evening.

The time used is Pacific standard for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight. The figures for height serve to distinguish high water from low water. Where blanks occur in the tables, the tide rises or falls continuously during two successive tidal periods without turning.

The height is in feet and tenths of a foot, measured from the average level of lower low water.

Equimelt—To find the depth of water on the sill of the drydock at any tide, add 18.9 ft. to the height of high water as above given.

CAPTAIN DOLLAR COMMENDS BOARD

But Veteran Shipping Magnate Urges U.S. Government to Make Early Decision as to Policy

PULVERIZED COAL INSTEAD OF OIL

NEW YORK, June 27.—"The Shipping Board must decide whether it is going to stay in or get out of the shipping business. We can't go on this way, and I am sure the board knows it and will soon make known its plans in a way that will make all American shipping men breathe easier." Such were Captain Robert Dollar's characteristically plain spoken words on his visit to New York where he has been consulting with shipping men following his attendance at the Fourteenth National Foreign Trade Convention at Detroit.

"We all value the services of the Shipping Board highly," Captain Dollar admitted, "and I doubt but that most of us would do the same in their place. But the time for a new arrangement of things is at hand. American privately owned and operated shipping lines must expand if they are to live; they must take the whole world for their field of operation. They feel the risk of an actual rivalry with the Shipping Board fleet, and they apprehend that that fleet, if enlarged, would make the hazard still greater."

FINEST IN WORLD

"We know what the differentials are between us and foreign ships, because many of us, like myself, have operated foreign ships. And we know the margin is going to take all our effort to overcome. But if American shippers will give us an even break and if the Government will make it plain that it is going to enter upon a policy where, stage by stage, it will progressively withdraw and cease to compete with us, we can give the American people the finest merchant marine in the world."

Captain Dollar was very hopeful of the future for pulverized coal as the ships' fuel that may save shipping men in case of an oil shortage.

IMPORTANT CLUE

"I welcome the activity of the Government," he said, "in experimenting with the production and space costs of this new fuel. We have to look far in the future on the sea, and pulverized coal is going to be an important clue to the fuel question."

"Business is fine in the West and full cargoes from the Pacific Coast eastbound are the order of the day," the captain admitted. "But going the other way traffic is slacker, but is picking up. In the world at large, Americans may now be assured that the worst of our troubles are over in China. Even during the revolution we have been gaining trade steadily and we are gaining it now. The only cessation came when the Bolsheviks got control of the South China cities. Now they have been thrown out of every city but Hankow and we are only up against the same civil war question we have been up against for the last twelve years. I think the trade future of China is as great as ever, and American opportunity was never better."

Captain Dollar, one of the founders of the National Foreign Trade Council, attended and spoke at its fourteenth convention in Detroit, and told 1,425 delegates that the indispensable condition of growth for the American merchant marine was for the American business community to get behind it.

While in New York Captain Dollar presided at the annual luncheon given in his honor at India House at which P. A. S. Franklin, president of the International Mercantile Marine; Sir Thomas Lipton, Willis H. Booth, vice-president Guaranty Trust Company; Ira A. Campbell, general counsel of the American Steamship Owners' Association, and many other men prominent in the shipping world, were present.

Many Travelers Aboard Dorothy Bound for North

All staterooms were occupied on the Pacific Steamship Company's passenger liner, Dorothy Alexander, when she sailed from the Rithet Consolidated piers for Skagway at 7 o'clock last night.

The big passenger list on the vessel was illustrative of the manner in which the Summer service to Alaska has become popular among tourists in recent years.

The Dorothy docked here from Seattle at about 4 o'clock in the afternoon, and her stay of three hours enabled her passengers to come ashore and tour the city and environs.

Stranded Ship Now in Tow of Salvage King

Pulled into deep water again from her perch on Whitecliff Island, Queen Charlotte Sound, the motor freighter Challamba is now bound south in tow of the Pacific Salvage Company's vessel Salvage King, according to word received here yesterday.

The Salvage King refloated the stranded vessel early yesterday morning, and shortly afterwards took her in tow, according to the dispatches received here. The Challamba's cargo was lightered while she was still ashore and taken to Prince Rupert to be placed in bond.

It is believed that the Challamba will be brought to Esquimalt for repairs. The Salvage King ought to make Victoria with her tow on Thursday morning.

NEW SHIP FOR COAST ROUTE

SEATTLE, June 27.—With freight consigned to the Dollar Steamship Line, the motorship Glendaurel, purchased recently on the East Coast by Roy W. Crosby, is on her way to Seattle. The vessel has sailed from Norfolk with a full cargo of miscellaneous freight for Pacific Coast ports. She is expected to reach Los Angeles July 20.

The Glendaurel, steel motorship of 3,564 tons, was acquired by Mr. Crosby from C. D. Mallory & Co. of New York. He will change the name of the vessel to Willa Crosby, in honor of his wife. The Glendaurel has a sea speed of eleven knots and is equipped with Diesel engines. The vessel will be operated out of Seattle and San Francisco.

Mr. Crosby is president of the Crosby Marine Corporation. He recently moved the headquarters of the corporation from Seattle to San Francisco.

JAPANESE SHIP IN FROM ORIENT

Osaka Shosen Kaisha Liner Arizona Maru Docks From Far East—Discharges 160 Tons Here

ARABIA MARU ON WESTBOUND TRIP

With 160 tons of cargo for discharge here, the Osaka Shosen Kaisha liner, Arizona Maru, docked from the Orient at the Rithet Consolidated piers at 9.45 o'clock yesterday morning.

The Arizona was slightly delayed by fog off the West Coast of the Island, and docked somewhat later than was expected for that reason.

Thirty steerage passengers disembarked from the vessel at this port. Fifty-seven other travelers proceeded to Seattle aboard the liner. Among these were about a score of Japanese schoolgirls returning to America after a period spent in Japan to enable them to become familiar with manners and conditions in the latter country. A Japanese stowaway was also taken on to Seattle aboard the vessel.

The Arizona carried $4,000,000 worth of silk for transhipment East from Seattle, for which port she sailed shortly before noon.

The Arabia Maru of the Osaka Shosen Kaisha line, sailed for Yokohama from the Rithet piers at 5 o'clock Sunday afternoon.

JULY FOURTH TO BE BROADCAST

Dr. John J. Tigert Will Speak Over KOMO at Woodland Park, Seattle, on Independence Day

SPECIAL CONCERT PRESENTED MONDAY

Are you absolutely sure that the words used in your daily conversation are pronounced right and used correctly?

Visitors to KOMO should be on their guard lest a mispronounced or incorrectly-used word used by them in their conversation is reported to the programme staff and broadcast the next day. Not that any attempt is made to embarrass the visitor to the studio or to expose errors to the listening public, but one regular feature of KOMO's programme is "Add a word today to your vocabulary." In this feature a word is given by the announcer, its pronunciation, meaning and use explained and the listener is invited to use this word as far as possible in his conversation in order that he may familiarize himself with it. In the announcements for the day, this same word is used whenever possible.

These words are selected from words often used wrongly in conversation. Suggestions for words to use often come from staff members and visitors who unwittingly, in their conversation, misuse or mispronounce a word, with the result that the next day the listening public is given instructions in the correct use of the word.

KOMO has been designated by the American Legion as the official broadcasting station for broadcasting July Fourth activities. The features to be broadcast are—first, the mammoth parade in the morning, in which some twenty-five bands and a large number of service organizations will participate. The approximate time of broadcast for this parade will be at 10:30 a.m.

At 2 p.m., at the Harding Memorial, at Woodland Park, the United States Commissioner of Education, Dr. John J. Tigert, will be the principal speaker at the annual Americanization programme staged by the American Legion in observance of Independence Day. The entire ceremony, including the address by Commissioner Tigert, will be broadcast by especially-installed equipment at Woodland Park by KOMO.

SUPREME COURT TO CONSIDER QUESTION

Constitutionality of Section 7-A of Dominion Fisheries Act Is Point at Issue

VANCOUVER, June 27.—Following the attack launched on the constitutionality of Section 7-a of the Dominion Fisheries Act, which jeopardizes revenue to be collected from British Columbia fish canneries, the Federal authorities have decided to refer the question to the Supreme Court of Canada for a decision.

This announcement was made to Chief Justice Hunter in Supreme Court today by A. B. Macdonald, K.C., counsel for the Crown, which is appealing Magistrate H. O. Alexander's dismissal of a charge against the Somerville Cannery Company, Ltd. The latter was acquitted of operating a clam cannery at Seal Cove, Prince Rupert, without first obtaining an annual licence. The magistrate found that Section 7-a was ultra vires Parliament because it concerned property and civil rights. The section compelled a fish cannery to take out an annual licence.

Train Excursions

Special excursion trains from Seattle to Spokane and from Seattle to Portland will be operated by the Great Northern Railway on July 4, according to word received yesterday by Mr. A. H. Hebb, local agent for the company.

Alert Bay

Mrs. Murray Potts and family have returned to their home, Alert Bay, for the Summer months.

To the Boys of CANADA

It has been suggested in a recent newspaper editorial that boys pay a little more attention to the subject of shoe shining.

Give a thought to *your* shoes, boys—don't have your home-town paper writing editorials like that about *you*!

Remember, habits of neatness help you get on in the world—and you cannot be neat if your shoes are neglected.

Look at your shoes!

Every morning—Rise and Shine *with*

FOR THIS NEW HOLEPROOF STOCKING

–Exclusively

"Original Lucile—Paris Fashion Sketch"

IN Holeproof's latest number you are offered a choice of Lucile-created shades. They are to wear with the coming season's shoes and dress materials. The stocking is of finely woven silk—fashionably sheer and clear. Its new features will delight you: Silk clear to the top and extra length. You'll not find a smarter style than this. Reinforced heel and famous toe give far greater wear than you expect. See it without delay.

$1.50 Ask for No. 565

This stocking, all pure silk from toe to top, is longer than ordinary numbers. Hence is gained carefree smartness otherwise impossible. It follows shorter dresses.

To add grace to pretty legs the silk in this smart stocking extends clear to the top. The difference in looks is amazing. Now stocking hems do longer show with shorter skirts.

Today women choose stockings in shades they know are fashionably correct—are Paris-designed to meet the coming modes in shoes and dress materials. So Holeproof, in its colours, offers you the world-famous authority, Lucile, *Paris*. Each shade Lucile creates and sends exclusively to Holeproof. A new and all-important feature added to these stockings known to 2,000,000 women by their famous fashion points.

Exquisite clearness. In sheer weights clearness comes only through uniformly even thread. The lack of it in cheaper silks causes unsightly shadow rings. So at greater cost Holeproof selects silk judged the world's finest.

Superlative transparency, even in the heavier weights. There is no cloudiness, no streaking.

First the silk is treated, then it undergoes the special Holeproof treatment.

No loose ends. Loose threads mar appearance. So Holeproof carefully trims the inside of each stocking by hand.

No imperfections. Style vanishes with imperfections. And here Holeproof safeguards you by nine separate inspections. It is a fact that few other fine hose are so uniformly perfect.

Go to your nearest shop today and see Holeproof's newest numbers in the latest Lucile shades

LANGFORD HAS BIG PROGRAMME

SCHOOL CELEBRATION PLANNED IN ACCORD WITH DIAMOND JUBILEE CELEBRATION

School Prize Presentation, Maple Tree Planting and Sports Fill the Day

LANGFORD, June 25.—The programme given at the Langford School on Friday afternoon was planned in honor of the Diamond Jubilee celebration of Confederation. Mr. W. T. Dixon made an efficient chairman and the talk given by Mr. R. H. Pooley, member for the district, to the children, was singularly appropriate to the occasion as well as being inspiring and instructive.

Mr. Pooley dwelt briefly on the history of Confederation, then very aptly drew from the facts, the great lesson of the value of teamwork and good sportsmanship shown by the Fathers of Confederation who were able to forget self and to work for the good of their country.

Mr. A. G. Mackie proposed a vote of thanks, this was seconded by Rev. H. B. Allen and carried by acclamation.

The programme was as follows:

Chorus, "O Canada," by the school; recitation, "Our Flag," by Stellar Hincks; address by R. H. Pooley, M.P.P.; song by Miss Ada Simpson; presentation of prizes, rolls of honor and Confederation medals; songs by the school, "The Anvil Chorus," "The Land of Freedom."

TREES PLANTED

Two maple trees were then planted on the school ground, one by Mr. Strang, the oldest native born Canadian in the district, seventy-nine years of age. Mr. Strang insisted on planting the tree properly and then made a most interesting speech about maple trees and the school days of his youth in Eastern Canada.

Mrs. Henry Pike represented one of the earliest pioneer families of this district and very capably planted the other tree. Clifford Vickery called for a vote of thanks from the children for Mrs. Pike and Mr. Strang. The children then sang "The Maple Leaf."

A bevy of ladies served ice cream and cake to all present and all repaired to the school ground for the sports.

PRIZE PRESENTATION

Mrs. R. H. Pooley very graciously presented the prizes provided by the school board and teachers as well as the bronze medals issued by the Government, one to each pupil present.

The following pupils received prizes:

In the junior division — writing, Nellie Harrison; spelling, Victoria Willson and Stanley Jackson; greatest improvement in work, Tom Dixon; highest rank in their respective classes, Ronald McCrimmon, Jean Clark and Marjorie Tonkin.

The honor roll for proficiency was won by Eileen Hincks; that for conduct by Nellie Harrison, and Victoria Willson won the roll of honor for punctuality and regularity.

In the senior division Alice Oak received the roll of honor for proficiency; Doris Harrison that for deportment, and Margaret Smedley, David Scafe and George Duncan each received one for regularity and punctuality. Spelling prizes were presented to Ruth Pearce and George Duncan. Those who ranked highest in their classes were Ruth Pearce, Campbell Brown and George Brotherston.

Betty Smedley, Clifford Vickery and Eric Guy, who wrote on the entrance examination this week, were each given a prize for hard work during the year.

SPORTS RESULTS

The races were managed by Mr. W. T. Dixon and Mr. P. Welch. The winners were as follows:

Under school age, twenty-five yards—Molly Dixon and Patty Cooney.

Beginners, twenty-five yards—Marjorie Tonkin, John Hunter.

Beginners, hopping — Oswald and Claude Hincks.

Intermediate, girls, forty yards—Eileen Hincks and Frances Wale.

Intermediate, boys, forty yards—Alan Jackson, Dean Johnston.

Intermediate, mixed, backwards — Eileen Hincks and Frances Wale.

Intermediate, boys' standing jump—Gong Quan, David Scafe.

Intermediate boys' three-legged race Gong Quan and Jim Merry.

Intermediate, girls' three-legged race —Doris Harrison and Alice Oak.

Boys' sack race—David Scafe, Tom Dixon and Allan Jackson, tied.

Girls' sack race—Frances Wale, Betty Cooney.

Boys' relay race—Clifford Vickery, George Duncan, Dave Scafe, Dean Johnston.

Girls' relay race—Stella Hincks, Hazel Oak, Frances Wale, Betty Smedley.

Leap frog race—1, David Scafe and Gong Quan; 2, Clifford Vickery and George Duncan.

Ladies' race — Mrs. Hunter, Mrs. Hincks and Miss Peacey, tied.

Men's walking race—Mr. Dixon, Rev. H. B. Allen.

Three cheers and a tiger were given for the teachers and trustees. The thanks of the childrn are due Mrs. Rogers for a gift of candies, and to Mrs. Setchfield for the peanuts, which provided much amusement in a peanut scramble.

NEW CLASS HAS BEEN ADDED TO FAIR

COURTENAY, June 27.—A special class has just been added to the Fall Fair list which will be of much inetrest to dairymen. In conjunction with the Livestock Branch of the Dominion Department of Agriculture, the Comox Agricultural Association are offering three prizes of $50, $40 and $30 for a "Get of Sire" competition, each entry to consist of three animals, not necessarily the property of one owner, but all three the progeny of one pure-bred bull. The class is open to heifers (grade or pure-bred) and to pure-bred males. Each entry to be accompanied by a statement signed by the owner or owners represented, giving the name of the sire and the approximate date of birth of each animal included in the entry. All entries to be confined to animals not over two years (twenty-four months) of age and not under twelve months on the date of the competition. This class will doubtless increase the stock exhibits at this year's fair.

MAKING REAL ROAD TO COWICHAN LAKE

Will Soon Be First-Class Highway Into One of World's Most Famous Fishing Resorts

SAHTLAM, June 27.—The improvement work on the Cowichan Lake Road, for which a special appropriation was voted by the Department of Public Works, started this week. Some twenty men are employed under the supervision of Mr. H. C. Mann, assistant district engineer. Work was started just outside the boundary of North Cowichan Municipality. Trees are being cut down, stumps removed, and the road widened. For one and a half miles the old logging railway grade of the Island Logging Co. will be utilized and the present roadway abandoned, thus eliminating several sharp corners.

It is expected that in about three months' time the Cowichan Lake Road, which has for some time past been in a deplorable condition, will be a first-class highway.

SIDNEY P.T.A. MEETS

SIDNEY, June 27. — The regular monthly meeting of the Parent-Teacher Association was held in the schoolhouse on Tuesday evening, the president, Mrs. Gilman, in the chair. The minutes of the last meeting were read and adopted. Mr. Ramsay reported that the Confederation Medals had arrived. Mrs. Bodkin, regent of the Allies Chapter, I.O.D.E, has been asked to distribute them at the picnic. The piano committee reported that they had answered an advertisement for a piano and recommended that it be purchased for the school. They were given power to secure it if they could raise the additional funds required.

BOY FALLS SIXTY FEET FROM TRESTLE

Joe Hitchen Escapes With Broken Wrists and Minor Injuries in Nanaimo Accident

NANAIMO, June 26.—Falling a distance of sixty feet, Joe Hitchen, seventeen, of Kennedy Street, is lying at home with both wrists fractured, besides minor injuries to head and body. The accident occurred at about 8 o'clock on Saturday evening. Young Hitchen decided to walk along the trestle on Park Avenue, Five Acres, which carries the water main for the Western Fuel Company. The trestle is narrow and was not built for pedestrians. When at the highest point, Hitchen was seen to slip and fall, the accident being witnessed by a lad named Higgins, who said that Hitchen seemed to plunge head downwards, clutching a portion of the trestle support in his downward flight, and partially breaking the fall. He landed almost squarely on his hands.

Higgins summoned assistance, and the injured lad was removed to his home and Dr. Norman Hall summoned. While Dr. Hall states it was strictly a hospital case, it was impossible to remove Hitchen to Ladysmith, as he was suffering from shock to such an extent that the journey would have been too dangerous. The local hospital being closed, a special nurse was engaged, and the injuries were attended to as well as possible at the home. This morning arrangements were made to use the X-ray room at the hospital, after which the bones were set and the lad taken back to his home.

CITY IS CENTRE OF WIRELESS ON PACIFIC SEABOARD

Victoria is the headquarters of the Radio Telegraphic Service of the Dominion Government, covering the Pacific seaboard, with communications extending to all points. There are stations at Gonzales (Victoria), Cape Lazo, Pachena, Estevan, Alert Bay, and Bull Harbor, on Vancouver Island.

Electric light is being put in the houses at Langford Lake.

School Picnic Is Held at Sahtlam

SAHTLAM, June 27.—About fifty children and adults attended the picnic arranged by the teacher, Miss B. M. Muir, for the Sahtlam school pupils at the River Bottom on Friday afternoon. Despite the cloudy skies, an enjoyable day was spent in various games, a baseball match, peanut scramble and swimming. The parents provided a sumptuous lunch. Transportation was provided by Mrs. McMillan, Mrs. Harvey and Mr. E. G. Moore. During the afternoon, Mr. E. G. Moore, chairman of the trustee board, presented rolls of honor to the following pupils: Jean Pollock, for general proficiency; Dora Haslam, deportment; Bobby Yoshiki, regularity and punctuality. Special prizes of books were presented to Margaret Inouye, for deportment; Tommy Ohara, for regularity and punctuality. Jean Pollock was awarded the first prize for best health book in the competition arranged by the nurses of Cowichan Health Centre.

COLWOOD TO FORM BRANCH OF LEGION

Provisional Officers Appointed Following Meeting—Land and Lumber for Building Hall

COLWOOD, June 25.—A well-attended meeting of the Canadian Legion of the British Empire Service League was held in the Colwood Hall on Wednesday.

Dr. D. Donald occupied the chair, and among the speakers who addressed the meeting were Hon. T. Coventry, Captain Harte, Major Gill, Colonel Gillespie and R. McNichol. It was unanimously agreed to form a branch in the district.

Comrade A. J. Mackie was elected provisional president; F. Smedley, provisional secretary-treasurer. The provisional executive consisted of G. Cooney, W. Hall, S. Turner, P. Wolfe and A. T. Allen. The chairman announced that a grant of land on which to build a hall, also lumber, had been donated.

WHIST DRIVE SUCCESS

NANAIMO, June 27.—A very successful whist drive and dance was held in the Parish Hall, Cedar, recently, in aid of the furnishings for the new Anglican College at Point Grey. This effort was in response to an appeal from the president of the Women's Auxiliaries at Victoria to the W. A. of diocese of B. C. to raise the sum of $1,000 in aid of the new college.

SCHOOL CLOSES WITH EXERCISES

All of Students at Albert Head School Are Promoted—Picnic Held at Witty's Beach

ALBERT HEAD, June 25.—The annual school closing and picnic was held on Friday afternoon. About fifty arrived at the schoolhouse, where Judge Cumberland spoke on "Canada and Confederation." Mr. Gray, of Albert Head, whose father was one of the "Fathers of Confederation," also said a few words and showed the original Confederation medal and photographs taken of the proceedings sixty years ago.

Judge Cumberland presented the children with the Confederation medals and Mr. Gray gave each child a Canadian flag. All saluted the flag and sang "God Save the King." A short programme followed, commencing with the singing of "O Canada" by the school.

Recitation, "Canadian Born," J. Jones.

Recitation, "Victoria," Peggy Higgs.

Recitation, "Little Bateese," David Brotherston.

Recitation, "Thomas the Pretender," Walter Deveson.

Recitation, "In Praise of Picnics," A. Deveson.

The younger children read portions from their readers.

The teacher, Miss Frith, announced that all the children had been promoted.

Rolls of honor were presented as follows:

Punctuality and regularity—Amy Cawley and Shiela Cawley.

Deportment—Hilda Brotherston.

Proficiency—Arthur Deveson.

Special prize for reading and English literature—Peggy Higgs.

At the close of the exercises, Misses Frith and Higgs took parties to Witty's Beach, where bathing, races and an excellent tea took place. Mrs. Higgs presented the prizes for the races.

PATRIOTIC SERVICE

VIMY, June 27.—A patriotic service was held on Sunday afternoon at Gibbins Road Sunday school. Appropriate hymns were sung. A talk on "Confederation and Our Dominion" was given by the superintendent. Agnes Hansen recited "Our Wondrous Land;" Hope Robson, "Canadian Daily;" Bessie Clark, "Our Country," and Mrs. John Haslam, "When the Carillon Rings Out."

COLWOOD, June 27.—The postponed meeting of the Colwood Hall Committee will be held on Thursday, June 30, at 8 p.m., in the Colwood Hall; election of officers and other business.

This is a Selling Year!

THIS *is a Selling Year!* Production is catching up with demand. Now the cry is for greater consumption. And the Salesman is the man of the hour!

This is a Selling Year! Every instrument that can be applied to the task of increasing consumption will be put to work during 1927. And the Salesman, the man on the firing line of business, will receive more consideration, more co-operation and more money than ever before!

This is a Selling Year! If demand is light in any line of business, the salesmen will be called on to increase it. And they will do the job! Check back! You'll find they have done it before. They did it in the Eat More campaigns of the fruit and produce business; they did it in the lumber industry when competition grew in the form of building material substitutes; they did it with the "Save the Surface and You Save All" campaign of the paint industry; and they did it in the leather industry with their challenge—"There Is No Substitute for Leather." Scores of other lines of business have likewise turned sluggish demand into healthy, active trade. And remember, it was the Salesmen, backed, of course, by sufficient advertising, that actually went out and revivified the business!

This is a Selling Year! Crack Salesmen are needed more than ever, and our Want Ad Section offers you the means of getting them on your sales force.

This is a Selling Year! Our "Salesman Wanted" Ads are read by men earning all the way from $1,000 a year to $15,000 and more per year! They are watched constantly by ambitious salesmen always on the alert to increase their earning power. You sales managers and employers who want to profit most during this Selling Year will advertise NOW for the cream of the country's sales force—the salesmen who can be reached through inexpensive Want Ads!

STOCKS CONTINUE MARKED DECLINE

BAD SINKING SPELL IN NEW YORK STOCK MARKET—LATE RALLY LESSENS LOSSES

Extreme Declines Range From Three to Thirteen Cents—Bond Market Remains Dull

NEW YORK, June 27.—The stock market experienced another bad sinking spell today. Extreme declines in issues ranged from 3 to 13 points, but many of these were substantially reduced in the late rally. Establishment of a new high production record in the Seminola field provided another excuse of a selling attack in the oil shares. Marland, Phillips, Pan American "A" and "B," Skelly, Royal Dutch, Standard Oil of N.J. and General Ashphalt common and preferred, all sagged to new low levels. Houston broke 9 points to 147 and rallied 3. Among coppers, low prices were reached by Anaconda, Calumet and Arizona, Chile and Seneca, with American Smelting failing back 4½ points, and rallying 1. Baldwin broke from 230¾ to 223¼ and snapped back to 228. General Motors closed 4¾ points lower at 194½, after having sold slightly below that figure. U.S. Steel common showed a loss of 1½ at 119¾, several large blocks changing hands at 119. Rails yielded with the industrials.

With the exception of a few miscellaneous issues bonds developed a heavy tendency in today's market, a few rather sharp reactions cropping out in various sections of the list. Despite the sharp contraction of new offerings last week, high-grade bonds were in meagre demand, traders probably preferring to limit their commitments in anticipation of a temporary tightening of the money market as banks prepare for the heavy call for funds to meet July payments to investors.

Some of the convertible issues were offered in relatively large volume, such recent favorites as Erie D 4's and International Telephone 5½'s selling off sharply, the latter touching a new low for the year.

EXPORT DEMAND ADVANCES WHEAT

Liverpool Cables Higher and Foreign Demand Liberal—Coarse Grains e Dull But Prices Firm

WINNIPEG, June 27.—Sentiment on the Winnipeg grain exchange was switched to the "bull" side today and, inspired by higher Liverpool cables and liberal foreign demand, values closed at a net advance of 1¾ cents for the day. Eastern seaboard houses were reported to have closed a contract for a big order, said to include 500,000 bushels of Manitobas. In the rush for supplies, the outside public contributed materially to aiding the upturn.

Coarse grains were not in demand today, but prices for all these commodities gained in sympathy with wheat.

Winnipeg Grain Letter

(Supplied by R. P. Clark & Co., Ltd.)

WINNIPEG, June 27.—There was a more friendly feeling towards wheat in the local market today after the decline of last week, and prices after holding steady and little changed during first period, later advanced above the previous close, but on this bulge there was wheat for sale and the market eased off, but displayed stubbornness, reacting from the dips. There was a better tone to the cash market and foreign demand was reported improved with exports placed around 1,000,000. The Pool did the bulk of business but trade reported some acceptances. There also was short covering in the deferred futures due to the fact that this market will be closed from Thursday night till Monday morning, while Chicago will be closed next Monday. Local rains and predictions of frost at the week-end and forecast is for cooler temperatures and local rains. Good weather was reported from Winter wheat belt and the movement of new wheat should assume a liberal volume this week. The trend of market in immediate future will depend largely on whether the foreigner buys in sufficient volume to absorb the hedges. We look for higher prices ultimately but continue to anticipate an irregular market for time being. News from Argentina and Australia is also favorable and these countries need rain. Canadian crop making favorable progress, but is very late, especially in Manitoba and Saskatchewan, and weeds are reported as bad which will affect yields. In another week or so we shall be approaching the rust season, and with favorable weather for its development the damage could easily be very serious. World's shipments the last week were only 14,223,000 bushels, of which 7,854,000 cleared from North America. On passage supplies decreased 1,648,000 bushels for the week, the U.S. visible decreased 1,161,000 bushels. The market has had a good break and we believe it has reached a point where it should be bought on all weakness.

Coarse Grains—These markets all followed the trend of wheat and closed at substantial gains. There was a little better demand from consumers for oats and barley but rye demand remained poor, shorts were forced to cover, while undertone is firm. We advise sales on all bulges.

Flax—Closed one cent higher, largely in sympathy with general strength. Demand continues very moderate but there is no pressure.

Chicago Grain

(Supplied by B.C. Bond Corpn., Ltd.)

CHICAGO, June 27.—The action at Winnipeg again offset the tendency of our wheat market. Export sales exceeded estimates and there was buying both here and in Winnipeg, which indicated demand from foreign sources. A good deal of emphasis has been placed on the fact that forward contracts have not been made in southwest to anything like the extent they have been made in recent years by millers and exporters. This, of course, while giving a bearish tinge to the market at the moment may end by being bullish in that there is under the market a reserve buying power. Exporters were greatly disappointed at not being able to buy more freely from the country. Cromwell sometime ago called attention to the fact that farmers are bullish and disposed to hold wheat. After last year's big yields and fair prices in the southwest they are no doubt better able to do this than for some time. The bulge in corn was hard to explain. We have been talking about the poor prospects but this bulge came as a surprise to the trade.

C.N.R. Earnings

MONTREAL, June 27.—Net earnings of $2,769,757 are shown in the operating statement of the Canadian National Railways for May, issued today. Increased working expenses of the system, due to increase in rates of pay and large amount of maintenance of way work being carried on during the month, are also shown.

For the five-month period from January 1, gross earnings of the National system were $107,153,564, compared with $102,346,994 in the similar period of 1926, an increase of $4,806,569, or 4.70 per cent. Working expenses during the period were $93,729,341, as compared with $88,816,840.16, an increase of $4,912,501, or 5.53 per cent.

Net earnings for the five-month period were $13,424,222, as against $13,530,154, a decrease of $105,932.

New Hampshire Senator Pays Visit to Victoria

SEATTLE, June 27.—Predicting that President Coolidge could easily be renominated and re-elected, Senator George R. Moses, of New Hampshire, accompanied by several friends, left here today for Victoria and Vancouver.

Kindergarden Closes

The closing exercises of Mrs. Wickett's kindergarten class were held last Friday morning in the presence of a large number of parents and friends of the children. Much interest was evinced in the various items given and in the evidences shown by the pupils of their progress during the past term. Among those taking part were Elizabeth Angus, Sasha Angus, Billy Brodigan, Dennis Culvert, Ronald Edmunds, Geoffrey Hotham, Leonard Johnson and Howard Miller.
